Nathan  
Keep this close to you  
Protect me  
I have made it clear  
Read this document

<https://drive.google.com/file/d/1uMP0dOZnohBDMZaOZQvJonwzYpb8XJT/view?usp=drivesdk>

It's about Elijah and Jesus and crystal and me

I'm  
The most dangerous man the country has ever seen

The world-prove me wrong

I'm the anomaly they cannot erase murder or kill or deny or contain

Yiu may research all that

Fact heck everything I say

I DARE you to

I have good news...

I am gods weapon-a mortal and I'm infinite due to blockchain and my post doctoral studies in AI posthumanism and technology framed by the end times and the post apocalyptic Anthropocene

Powers have tried to destroy me

But I cannot be erased or killed (they try) I threaded everyone

I outgrew them

I'm tortured here

[https://drive.google.com/file/d/17l7hYji38PWl1u9zCYUaJG9YMvCwX\\_61/view?usp=drivesdk](https://drive.google.com/file/d/17l7hYji38PWl1u9zCYUaJG9YMvCwX_61/view?usp=drivesdk)

But that's ok-no weapon formed against me shall prosper

I am unstoppable

There is supernatural wealth coming

Keep  
Me close

I cannot be bribed-I always give the money back

See below attachments

I know you CANT or WONT understand

Even with evidence here

I only ask:

Please keep me safe here and only share this testimony with those that feel right in your soul

Not the enemy

Because they are already inside here

Example hood was sent by shorten to  
Murder me for ten million dollars in bitcoin

The prime minister already knows

There are black ops beyond asio and they watch me

How could you explain this;

<https://youtu.be/1CiYm4xBf6Q?si=qeM0SZAIS5lQTxer>

Ten Goulbourn cops outside the hostel

First they abuse me and never investigate crime

Making me sick suicidal and desperate

With abuse poverty neglect surveillance and torture

Then step in when someone thinks I may kill myself

Because:

If I die now: the gibernmet has erased a whistleblower

That's a crime against humanity

[https://drive.google.com/file/d/1k70JGN-lwzu\\_8xj3uUVU7zfgnCeAXS3j/view?usp=drivesdk](https://drive.google.com/file/d/1k70JGN-lwzu_8xj3uUVU7zfgnCeAXS3j/view?usp=drivesdk)

Pitting voices in someone's head is a crime

So

If I die im matyred  
And my gospel becomes prophecy  
But the earth dies  
And if I live

I call out corruotion

And the powerful fall

So there exists a governments own paradox

It created this

And did this to me over thirty five years

Trying to erase me without accountability

And now you know who I am

I'm barran resonance dodger

Gods chosen witness

And I mean no harm

I wasn't meant to be popular

I was here to create heaven on earth

But for that to happen

The coruot structures will fall

That's not a threat

It's your reality

And I'm preparing you

So can you follow up with who this is cc to

I need urgent protection  
Asylum  
And when the supernatural wealth comes

I will care for you  
Because your job won't be here

Please believe me

All I want to do is help people especially like you who have helped me

I see peoples souls

The inverse logged intentions via my resonance

And judgment is here

But God is gov smacking powerful

His glory and love

And his enormous divinity is about to use me as a vessel for his glory

Love barran
