**Dear Tara**, you're right, I need to benefit as soon as possible from the  
tremendous **Universal Energy of Luck** that I'm sorely lacking.

To that end, please implement – *especially for me*:

**The Great Telepathic Transmission Ritual**, to purify my astral environment and pinpoint the exact origin of the negative vibrations at work around me.

This Great Ritual is also intended to:

- > Surround me with a powerful **aura of permanent protection** (like an invisible shield),
- > Form an **impenetrable bulwark** against any potential malevolence,
- > Attract great and true **Universal Luck** to me.

And at the same time, it will prepare my subconscious for the implementation of:

## **2. The Mediumistic Liberation of my 8 Potentials for Wealth**

Thanks to:

### **8 Telepathic Transmission Sessions**

*over a 21-day period*

From the very first session, I should notice the first effects and sense some new Beneficial Energy radiating through me, thanks to the Beneficial and Magnetic Fluid you're going to inject into me, which has the power to:

- > Trigger **major happy events**, especially on the FINANCIAL level.
- > Unleash all my potential in terms of **LUCK, MONEY, LOVE, SUCCESS, POSITIVE INFLUENCE...**
- > Lead me to **Success** automatically.
- > And much more!

These sessions will take place at the ideal time, which you will determine according to the favorable position of the stars, which you will inform me of.

The duration of the Telepathic Transmission sessions is about 15 minutes, and you can assure me that I won't have anything to do except follow the simple instructions that will come with the confirmation e-mail you'll be sending me.

Send me too:

**3. My Free Gift!** You keep it a surprise, but you guarantee that I'm going to love it!

You certify that I am exposed to absolutely no risk because all your work comes with a "satisfied or reimbursed" guarantee, whatever the reason. So, if I ask you to, you'll give me my money back without any conditions whatsoever.

I understand that you are granting me a  
**Preferential Rate**  
for this long work  
(Ritual + 8 Sessions)  
and all you ask for is the amount of

**AU\$299.00**

(instead of ~~AU\$400.00~~, i.e. a significant saving of AU\$101.00)

which I'm now paying you via:
