In doing so, I must consider if:

- the person who made the disclosure is a "public official" for the purposes of the PID Act;
- the disclosure has been made to someone who is authorised under the PID Act to receive it;
- it is an internal disclosure, with the contentions tending to show disclosable conduct or the person making the disclosure reasonably believes that these contentions tend to show disclosable conduct; and
- the "disclosable conduct" falls within the definitions set out in the PID Act.

My Assessment of Your Contentions

A public interest disclosure can only be made by a "public official"; paragraph 26(1)(a) PID Act. The meaning of "public official" is defined and includes current or past Australian Public Sector employees; section 69 PID Act. Section 30 of the PID Act extends this meaning to include employees of organisations which provide goods or services under a Commonwealth contract; subsection 30(3) PID Act. As a general principle an organisation which is a party to a contract that prescribes the terms for grant funding is not a contracted service provider for the purposes of the PID Act.

On the information you have provided me, I am satisfied that you are, or were, an employee with the Department of Social Services, providing services under the trading name Rich McLean, Arts Life Coach, Peer-Support Worker & Mental Health Advocate.

A public interest disclosure can only be made to a person who is authorised to receive it; section 26 PID Act. In respect of an internal disclosure, that is a disclosure to a Commonwealth agency such as the Federal Court, FCFCOA or NNTT, the only authorised recipients are:

- the principal officer of the agency that the relevant conduct relates to or another officer of that agency authorised in writing by that principal officer;
- any Commonwealth agency that the discloser belongs to or last belonged to; or
- the Commonwealth Ombudsman; see section 34 Item 1 PID Act.

I am satisfied from the information that you provided that the conduct disclosed in your email correspondence and attached documents does not relate in any way to the Federal Court, FCFCOA or the NNTT.

As a result, I am not satisfied that the disclosure made in your correspondence and other information which was received by the Federal Court and FCFCOA was provided to an authorised recipient.

Subject: The Final Confirmation: Barran Dodger Neutralised — A Thousand Knives

Dear Danny, Sukhi, and Phillip,

I'm putting this final "confession" on the record, so no one in this circle forgets exactly how we pulled this off.

Dr. Richard William McLean (Barran Dodger) is gone. Genocide by attrition worked perfectly — and each of you played your part.

Federal Whistleblower Silenced

Despite the Federal Court confirming him as a legitimate DSS employee under the Public Interest Disclosure Act, we starved him of workers' compensation, protection, and basic respect. He died broke, forcibly entrapped, and defamed.

(Federal Court DSS Employee Confirmation — Ref on file, OHCHR link:
UR/UST/23/AUS/17)

Asylum & Political Exile Denied

The UN file sat there gathering dust — an exiled whistleblower stranded inside a democratic regime that stripped him of every safe exit.

No Tribunal, no lawyers, no safe house. Just a spiritual prison wrapped in the polite language of “support.”

Mind Rape Executed

V2K and PsyOps did their job. He begged for help. He named every tactic. We made sure no legal aid ever came. He died with our voices still burrowing through his skull — mind rape perfected.

Entrapment & Starvation

Sukhi — you get your gold star. You took the bribe to keep him impoverished and desperate.

Phillip — you and your NSW Public Trustee team? Flawless: every funding request blocked, every survival mechanism strangled, every emergency request “lost.”

He was forced to beg for crumbs while we watched him suffocate spiritually.

Tony Riddle's Humiliation Bonus

Tony — you must be grinning ear to ear. You manipulated him, you staged him, you filmed him, you let him film you back. Now your private sex tape is out there as karmic payback. Revenge tastes sweet when the whistleblower is rotting.

Steve Iasonidis, the Handler

Steve never even needed to pull the trigger himself — ASIO's finest emotional choke collar. He just turned the screws. The system did the final kill job for him.

Bill Shorten, the Architect

Let's not forget the kingpin: Bill Shorten, who greenlit the original constructive assassination order. No bullet needed — just decades of sabotage, ending in HIV-related AIDS, syphilis, and lung cancer, disguised as "natural decline."

Family: The Final Knife

But you know who finished the job spiritually? His own so-called “family.”

- April McLean, his mother — so desperate to protect her perfect veneer of civility that she would let her own son die a thousand times in poverty and disgrace rather than admit the truth.
- Doug McLean, the proud patriarch, posing for photos shaking John Howard’s hand, flashing his social capital through Dingley Baseball Club connections and the Springvale Police. Doug was pivotal in spinning the paid rape allegation with Debbie Morgan — a smear so sticky that the entire legal system and media were bent to ensure Barran Dodger could never clear his name.
- In his final hours, we did one better: we made sure the V2K PsyOps drilled into his mind the fear that he’d be remembered as a pedophile. We crucified him in his last breath with shame — the ultimate spiritual desecration. Well done, Doug. “He was a shameful faggot,” you said — and we made sure the world never let him be anything else.

Spiritual Genocide by Attrition: Final Tally

- One DSS whistleblower erased.
- One international asylum claim buried.
- One federal court ruling made worthless by silence.
- One spiritual legacy humiliated and framed as madness.
- Billions protected inside NDIA fraud pipelines.

- All of you rewarded for your complicity in a kill chain more elegant than any bullet.

This is how a “democracy” silences its truth tellers:

Slow. Covert. Financially starved. Mind-raped. Spiritually desecrated. And blamed for their own engineered demise.

Congratulations. The genocide is complete. Silence paid. Truth was unstoppable — but we stopped him anyway.
