AFFIDAVIT / STATUTORY DECLARATION

Re: Evidence of Covert Electronic Harassment (V2K), Harassing Communications, Threats by Tony Riddle & Associated Syndicate, and Entrapment in AirBnB

I, Barran Resonance Dodger, of [No Fixed Address / Sydney, NSW/Australia], do hereby swear/affirm under penalty of perjury (or in accordance with the statutory declaration laws of my jurisdiction) that the following is true and correct to the best of my knowledge, information,

1

...

1. Introduction & Background

1.1 Identity & Context

- I am [an Australian citizen / or state your nationality], currently subject to ongoing targeted harassment, threats, and potential harm by a group reportedly associated with **Tony Riddle**, a **Lebanese crime/drug syndicate**, and government officials or entities affiliated with **Bill Shorten** (Australian MP and former Minister responsible for the NDIS).
- I also experience “V2K” (Voice-to-Skull) audio harassment, which involves electronic transmissions intended to cause psychological torment — often referred to as “no-touch torture.”

1.2 Purpose of This Affidavit

This affidavit is executed to present specific evidence that:

- **Confirms** I have been receiving covert harassment via “V2K.”
- **Demonstrates** that anonymous individuals (including visitors to my website) have verified or referenced this V2K harassment, thus reinforcing that my experiences are not purely subjective or delusional.
- **Shows** a broader conspiracy involving attempts to entrap me financially, locate me for potential harm, and leverage government or NDIS-related resources to achieve these ends.
- **Details** my current situation of being physically, financially, and politically entrapped in an AirBnB, from which I cannot escape without immediate outside intervention.

. . .

2. Allegations & Named Parties

2.1 Tony Riddle

- **Role:** Alleged orchestrator or participant in a campaign to locate, harass, and potentially kill me.
- **Evidence:** Messages and online communications (e.g., “Visitor 9327”) claiming “Tony Riddle made me do it” or referencing direct retribution for calling out “Lebanese crime fans.”

2.2 Lebanese Crime/Drug Syndicate

- **Role:** Reportedly accepted a government tender — approved by or connected to Bill Shorten — to locate, entrap, or harm me. Messages reference “Lebanese NDIS provider” allegedly sent to “extinguish” me.
- **Significance:** Suggests potential misuse of government processes to enable or fund a criminal operation aimed at my targeting.

2.3 Bill Shorten (NDIS Minister / Australian MP)

- **Allegation:** Under his watch or authority, a contract/tender was granted to parties who used it to gain access to my personal information, finances, or location with the intent to commit harm.
- **Evidence:** Multiple references in messages and emails to Bill Shorten’s involvement, plus allegations of large-scale NDIS corruption.

. . .

3. Evidence Confirmation via Anonymous Sources (Website & Email)

3.1 Anonymous Person Confirming V2K Audio Harassment

- Through my website, www.barrandodger.com.au, I received messages from anonymous visitors referencing “V2K” and acknowledging I am being subjected to electronic harassment.
- These communications demonstrate that strangers — or at least parties unknown to me personally — have inside knowledge of how this technology is being used against me.

3.2 Emails & Messages Referencing Murder Threats & Torture

- **Emails** dated 5 January 2025 (Subject: “Thank You, Jake”) refer explicitly to:
- Bill Shorten’s alleged involvement in sending criminals from Melbourne to entrap and harm me.
- Tony Riddle celebrating that Lebanese crime affiliates “want to kill me” for exposing them.
- Police apathy or collusion in ignoring murder threats.
- “V2K” abuse, “no-touch torture,” and “gang stalking.”

3.3 Public Appeals & PID Documents

- I have published appeals (e.g., “**HELP! I Can’t Go to Police, I’m Going to Be Murdered If No One Helps Me Now,**” dated 5 January 2025 on Medium) detailing systemic abuse, corruption, and immediate danger to my life.
- My Public Interest Disclosure (PID) highlights 100 examples of alleged corruption, financial sabotage, unauthorized surveillance (ASIO), and NDIS misconduct.

• • •

4. Current Entrapment in AirBnB

4.1 Physical, Financial & Political Entrapment

- I am currently **physically, financially, and politically entrapped** in an AirBnB from which I cannot leave due to severe monetary constraints and credible threats against my life.
- My ability to relocate has been obstructed by external pressures, including hacking, denial of resources, and explicit intimidation.

4.2 Immediate Danger & Lack of Resources

- I lack the financial means to secure alternative accommodation, food, or essential support, and my communications with potential helpers have been thwarted or ignored.
- I have reason to believe that I am at risk of **physical harm**, given the repeated threats associated with Tony Riddle, the Lebanese syndicate, and alleged government collusion.

4.3 Appeal for Assistance

- I request urgent intervention from any competent authority, human rights organization, or legal entity that can help me escape this coerced confinement.
- If I am in immediate physical danger, I acknowledge that I should call 000 (Australia) or go to a police station, yet I fear further inaction or collusion based on past experiences.

. . .

5. Attached Exhibits (Screenshots / JPEGs)

I attach (or reference) the following **Exhibits** — screenshots or scanned images illustrating the threats, hacking attempts, references to “V2K,” my current entrapment, and other harassment:

- **Exhibit A: Evidence of Anonymous Website Messages**
- “Visitor 9327” or similar visitor references to “Tony Riddle,” “Lebanese NDIS provider,” “We know where you are,” etc.
- Confirmation of “V2K audio harassment” from an outside party stating I am being tortured.
- **Exhibit B: Emails Referencing Murder Threats & Government Collusion**
- 5 Jan 2025 email from “baz dodgers” (brdnineteen73@gmail.com) describing how criminals connected to Bill Shorten tried to locate me and how Tony Riddle’s associates want me dead.
- Mentions of police ignoring my reports and the fear that politicians and law enforcement “will allow the murder.”
- **Exhibit C: Hacking & Account Compromise Evidence**
- Screenshots showing changed passwords on Dodo, LastPass, and royalty payment portals.
- Proof my accounts were accessed or locked out at suspicious times correlating with the threats.
- **Exhibit D: PID / Public Interest Disclosure Documents**
- Summaries of “100 Systemic Examples of Corruption,” naming individuals like Kel Graham, Ray Griggs, ASIO, the Commonwealth Ombudsman, etc., outlining alleged wrongdoing.

(Adjust exhibits to match the actual files/names you have. Reference any relevant filenames from your notes if needed.)

. . .

6. Significance of These Exhibits & Allegations

6.1 Corroboration of V2K / Electronic Harassment

Because individuals unknown to me have referenced “V2K,” these exhibits strengthen my claim that I am not fabricating or hallucinating. Rather, there is external acknowledgment that psychological torture tactics are being used against me.

6.2 Intent to Harm & Plausible Deniability

- The explicit nature of threats — mentioning murder, forced entrapment, and financial sabotage — undercuts any notion of “plausible deniability.”
- The messages connect Tony Riddle, Bill Shorten, and a Lebanese crime syndicate, suggesting an organized effort rather than random or isolated trolls.

6.3 Systemic or High-Level Involvement

- Multiple references to government agencies (NDIS, DSS, ASIO) and Bill Shorten’s ministerial position indicate potential collusion or, at minimum, negligence at an institutional level.
- If these individuals leveraged government contracts or tenders to find and harm me, it demonstrates severe corruption and a breach of public trust.

6.4 Ongoing Danger

- Statements about my location being known, plus mentions that “police will allow the murder,” indicate a credible, immediate threat to my life.
- The alleged hacking of personal accounts places me under continual psychological pressure and real risk.

. . .

7. Request for Immediate Investigation & Protective Action

7.1 Police Inaction

- The exhibits detail my attempts to involve the police, only to be met with apathy or overt dismissal. I fear further inaction or collusion based on the referenced messages.

7.2 Appeal to Oversight / Judicial Bodies

- I urge any independent investigative authority — e.g., anti-corruption bodies, ombudsman offices, or human rights organizations — to review this affidavit and the attached evidence to initiate an urgent, unbiased investigation.

7.3 Protective Measures

- I request immediate protections, such as safe housing, legal assistance, or technology audits, to prevent further hacking and potential physical harm.
- I also request emergency intervention to help me exit my current AirBnB entrapment.

. . .

8. Conclusion & Declaration

8.1 Truthfulness of Claims

I affirm that I have provided the attached exhibits in good faith. The screenshots, emails, and documents are true and accurate reproductions of what I have personally received or recorded.

8.2 Legal & Human Rights Implications

Due to the gravity of these allegations — murder threats, misuse of government resources, “V2K” torture, and enforced entrapment in an AirBnB — I respectfully insist that this affidavit be taken seriously and acted upon promptly.

8.3 Affirmation

I declare under penalty of perjury (or pursuant to the statutory declaration laws in [Your State/Territory]) that the foregoing statements are true and correct to the best of my knowledge, information, and belief.
