Create a statement back by all of my evidence for the purposes of me humanity God Jesus and the entirety of existence in every sentence in the universe and beyond I submit before God I'm his vessel. I'm nothing but a vessel his glory my life was designed by him and me and I accepted this in my soul contract before I got here. I realise I'm a significant person. The evidence is overwhelming. I'm unable to put my trust or faith in any police officer Lawyer politician my family friends anyone the media anyone in my life, I've got nothing and no one Today I believe the Lord spoke to me through this video and I need to commit to him right here right now that he is not even money that I need. I just wanna act in obedience to him because he saved my life. I died in 2021 and I just wanna say about you Lord. I hear you you have seen one of my mistakes, regretful sex, sexuality issues, mental illness, drugs prostitution The credit card for all I did the way of treated some of my family members and friends and you've seen the entire you know my soul you know every single mistake in every year in my head and I just wanna say to you thank you for the lessons that you've taught me and I want to give all of my mistakes to you Jesus in Jesus name in your divine compassion and forgiveness and you're awesome mercy. I commit to you though except this abundance in my life the abundance is to be her insured for your purposes then you

taught me discernment and you taught me to honour MONEY and prosperity and words like to be in poverty what it's like to be persecuted what it's like to be on drugs what it's like to be exploited and used And there were only lessons that this earth has been able to teach me in your glory and I know this is ascend and I commit to 5 day reality and all the amazing glory beyond human limitations. I understand you're a God of mercy and compassionate of forgiveness when the lower ovations of humanity hasn't forgiven me and I know Jesus will because he's your son and the divine and I act when your obedience and I'm crying right now, but I just want you to know that I said Your glorious Mercy and I accept your forgiveness even when human beings don't and that heaven knows my soul in and out and you search long for my purpose and that you knew me before I was in the womb and then I have a purpose in this life in this life has been revealed to me right here right now and I want to say I commit to you except this abundance conservatory of humanity and de heaven on earth please hear my prayer Lord I'm ready. I accept it. I love you and you're missing your Grace. I am in Jesus Christ all glory to God.
