← THE STORY

THE MISSION, DOCUMENTED

The Evidence

One life, documented across 0 public repositories and … unique records, read live from GitHub. The evidence is — and stays — free: every record links back to its original file, and nothing is stored here but the index.

THE MAILING LIST

One email list, on every page. This is the asset that outlives every platform — the direct line between the record and the people who read it.

The evidence stays free and in place — sourced live from the public Barrandodger GitHub repositories. This app stores filenames, paths, source URLs, sizes and dates, never the documents themselves.
