Don’t you dare leave a 40-year-old customer with no phone no money no access to your banking and blocking my card as a customer

To Commonwealth Bank — Customer Relations, Complaints and Senior Management,

What the fuck is going on with my banking access?

I am a 40-year customer of Commonwealth Bank, and this is absolutely NOT how you treat a loyal customer who has banked with you for four fucking decades.

You have blocked my access to the banking app, and I am left unable to access my own money when I urgently need it for food, medication, phone credit and basic necessities. I am in New South Wales, and I am already dealing with an extremely difficult situation involving the Public Guardian, who is not providing me with the communication and assistance I need.

I am sick and tired of being passed around, ignored and left to deal with systems that do not work for my circumstances. I cannot reliably make telephone calls because I do not have phone credit. I cannot resolve this by being told to ring another number that I cannot fucking call.

I AM DEMANDING THAT COMMONWEALTH BANK CONTACT ME DIRECTLY AND IMMEDIATELY.

RING ME NOW ON 0431 300 940.

I need a real person to contact me, explain what the fuck has happened to my banking access, and tell me what you are going to do to fix it.

I want answers to the following questions:

1. WHY HAS MY ACCESS TO THE COMMONWEALTH BANK APP BEEN BLOCKED?
2. WHO OR WHAT HAS CAUSED THIS RESTRICTION, AND WHAT MUST BE DONE TO REMOVE IT?
3. HOW AM I SUPPOSED TO ACCESS MY OWN MONEY WHEN YOUR BANKING APP IS INACCESSIBLE?
4. WHY HAS NO PRACTICAL, ACCESSIBLE ALTERNATIVE BEEN PROVIDED TO ME?
5. WHO IS TAKING RESPONSIBILITY FOR RESOLVING THIS SITUATION, AND WHEN WILL THEY CONTACT ME?

I am a 40-year customer. Forty fucking years. I have every right to expect to be treated with basic respect and to receive a proper explanation when I cannot access my banking services.

I am not asking for some special favour. I am asking for access to my own money, an explanation of what has happened, and a human being who will actually communicate with me and help resolve the problem.

I am sick of being left isolated, without effective access to my finances, while institutions fail to communicate with me or provide a workable solution. I should not have to beg, plead and fight just to get somebody to take responsibility.

COMMONWEALTH BANK: PICK UP THIS COMPLAINT, ESCALATE IT IMMEDIATELY, AND CONTACT ME DIRECTLY.

I want a response from someone who has the authority to investigate this restriction and do something about it. Do not send me another useless generic response telling me to telephone a number when you know I have explained that I cannot reliably make calls.

I need this resolved urgently. I need to access my money for necessities, and every unnecessary delay makes an already desperate situation worse.

RING ME ON 0431 300 940. CONTACT ME NOW. EXPLAIN WHAT YOU HAVE DONE TO MY BANKING ACCESS AND TELL ME HOW YOU ARE GOING TO FIX IT.

I expect Commonwealth Bank to take this complaint seriously and treat a 40-year customer with the respect and urgency this situation demands.

PUBLIC STATEMENT FROM BARRAN DODGER
OF THE BARRAN DODGER ARCHIVE

THE WITNESS REMAINS: A WHISTLEBLOWERS TESTIMONY OF SURVIVAL TESTIMONY & FAITH

The Barran Dodger Archive is a public documentary and spiritual record established to preserve, organise and make accessible a decades-long body of evidence concerning alleged institutional, administrative, financial and human-rights harms.

It brings together official records, correspondence, documentary evidence, personal testimony, forensic analysis, research, philosophy, spiritual gospels and prophetic declarations, including writings understood by the author to have been anointed by the Most High God.

The Archive deliberately distinguishes between documented facts, official records, corroborated evidence, allegations, personal testimony, inference, interpretation and matters of faith. This distinction is fundamental to its purpose: readers are invited to examine the underlying evidence for themselves, test the claims, consider the sources and reach their own conclusions.

At the heart of the Archive is a testimony of survival and preservation.

What the author believes was subjected to attempts at silencing, erasure, exclusion or institutional disappearance has nevertheless survived in records, documents, testimony, memory, faith and public disclosure.

The central declaration is simple:

THE WITNESS REMAINS.

The Archive therefore represents both an evidentiary record and a spiritual testimony. The author understands his survival through a faith-based conviction that the Most High God protected, preserved and gave purpose to what human institutions could not erase.

The spiritual writings and prophetic declarations within the Archive are presented as matters of faith and personal interpretation. They are preserved alongside the documentary record so that the complete testimony — evidentiary, personal, philosophical and spiritual — can be understood in its own context.

The purpose is not to demand belief.

It is to preserve the record.

It is to make the evidence accessible.

It is to ensure that the surviving witness can be examined.

And it is to leave the historical record open to independent scrutiny.

THE ARCHIVE IS 100% FREE TO ACCESS

KNOWLEDGE IS FREE

The Barran Dodger Archive is founded on the principle that knowledge, evidence and truth should be freely accessible.

There is no paywall for the public documentary record. Research, testimony, philosophy, spiritual writings, prophetic declarations and public-interest material are made available for people to examine for themselves.

Access to knowledge should not depend upon a person's ability to pay.

The Archive is therefore freely accessible, while its preservation and continued publication require practical resources.

SUPPORTING THE WITNESS AND THE ARCHIVE

Barran Dodger describes himself as an unprotected whistleblower living in circumstances of prolonged exile, financial hardship and vulnerability, and as an internally displaced asylum seeker within the country of his Australian citizenship.

Those circumstances create practical needs extending beyond the preservation of documents.

Voluntary donations are therefore accepted from anyone who freely wishes to assist.

Support may contribute towards essential needs including food, safe accommodation, communication, technology, transport, personal safety, website and domain costs, document preservation, archival infrastructure and the continued publication of the public record.

A donation does not purchase access to the Archive.

It does not purchase influence over the evidence.

It does not purchase editorial control.

It does not determine what is published or what conclusions readers should reach.

It simply helps sustain the person and infrastructure necessary to keep the Archive alive, functioning and freely accessible.

If you are blessed with sufficient prosperity to help preserve this work, your voluntary support can help ensure that financial hardship does not become another mechanism through which a public record disappears.

KNOWLEDGE IS FREE.

THE EVIDENCE IS OPEN TO EXAMINATION.

Thank you to everyone who chooses to examine the evidence, preserve the record, support the Archive or simply bear witness.

The record remains.

The witness remains.

LASTLY — A SECOND PUBLIC-FACING ARCHIVE

For readers who wish to go beyond the principal Barran Dodger Archive, a second public-facing repository provides another point of access to the broader documentary record.

https://barrandodger.com

This website provides an additional gateway into the history, evidence, testimony, research and ideas that underpin the Archive. It is intended to help readers navigate the wider body of material and understand how individual documents, events, experiences and arguments have been brought together into a continuing record.

Its significance is not dependent upon the reader accepting Barran Dodger's conclusions. Rather, the value of preserving such a record lies in allowing the underlying material to remain available for examination. Readers can consider the chronology, inspect the documentary evidence, distinguish recorded facts from allegations and personal testimony, follow referenced material and form their own independent assessment.

The existence of multiple public repositories also reflects the central purpose of the project: preservation. Where records are distributed across years, institutions, correspondence, proceedings, personal archives and digital platforms, preserving accessible copies and pathways to the evidence can help prevent an individual historical record from becoming inaccessible or forgotten.

Readers are therefore invited to visit both public-facing archives, examine the material carefully and critically, and make their own assessment of what the surviving evidence demonstrates.

The purpose is not to ask the reader to believe.

The purpose is to ensure that the record remains available to be examined.
