Hi Able Point you already know you're in deep shit. I would not push me. I want John to come back to my house right now because I need to go to the bank because I have no credit on my phone. No access to Banking and I need to put some money back into my account so I can purchase things that I need to survive. If you refuse to do this. If you refuse to send him back I will call it out for him accepting a blood MONEY wage for allowing the harm to happen to me and that all of you financially benefit from trapping me as a prisoner as part of a federal fucking conspiracy and I will hold you to Account you better fucking sending him.
