2011: I give the engagement ring to my former partner Steve Iasonidis who ended up working for Steve Jobs at Apple then ASIO under David Irvine. He was a millionaire who owes me a legal fair equitable settlement:

I find this guy surveilling my home in the morning:

My former partner Steve Stefan Iasonidis gets a job at ASIO and can't put it on Facebook - the government are protecting him:

https://youtu.be/9Py4Zv37HJk

I explain I am the centre of a conspiracy to the crisis assessment team - who lock me away and I attempt suicide from the financial abuse and vindication. Later it's revealed a brain detriment and there is a cover up at Weribee mercy. HCC, MHCC, The hospital, Police, IBAC and ben Calder at the Ombudsman cover it up.

In one of my hospitalisations - I am violently attacked by a Government underworld thug I think as a set up and there was no recourse:

I speak to Footscray Police about my victimisation and Pablo agrees I am a scapegoat and does nothing with my injustice issues:

Liz linsberg from The Australian Human Rights Commission free kicks a 1.5 million dollar settlement to the opposition (an insurance company). You can spot the second I lose a potential 1.5 million dollars:

Kade Mollison from Weribee mercy and Salt Water Clinic is well aware of the injustices - I learn him again:

https://youtu.be/W8Al2zUzyfY

Tim Gos from AFCA rejects his own organisations four week determination limit for marginalised people and my cases take over a year and a half. AFCA then banned me outright and as a democratic citizen I deserve access to the statutory authority. Later I would predict my AAT fail after AHRC and AFCA and the then attorney general Michael Cash sends me to the SANE helpline:

https://youtu.be/c2a5aMMuhQE

The police Rachael Miller and Kane abbey come into my home and I tell them to f*ck off after they do not acknowledge me having no food no medication and I suffer a fatal injury inside Weribee mercy hospital that I was revived from. I tell them a conspiracy to pervert the course of justice is occurring and they are in on it. I try and report rape murder tax evasion and drug trafficking.

https://youtu.be/v60wXuR56no

Footscray Police come to my door for a welfare check and I try in futility to report crime - They are protecting Steve Iasonidis - they know he was my partner. I have some fun with them:

https://youtu.be/pYgOtndhnk8

Friends forsake me protecting Steve Iasonidis - and I must be quick to call them out. Everyone knows we were engaged for five years and not one person has defended me. Steve has acted to turn friends against me.

I ask again for whistleblower protection from persecution. I am sick of my situation and profound victimisation.

Kate Watson email - Government defending lawyer: I explain the process as I go along calling out guilty parties:

https://youtu.be/NbduJsooIqA

Kade Mollison is my community contact for Weribee mercy and he keeps imprisoning me - they vilify me for having a mental illness and reject any issue external to that and to the exclusion of all other issues. He covers up my suicide attempt and brain injury.

An early video coming back to my squat and introducing my situation:

https://youtu.be/_ONo4Iquym4

I oppose Kate Watson defending the Governments decision to reject my work cover. I oppose this cover up that is in spite of the charter of human rights and beyond legal professional remit.

https://youtu.be/NbduJsooIqA

I channel Jesus Christ in this parody:

https://youtu.be/zmEdwNwaBSA

The AAT call me unexpectedly about my work cover case and my appeal - I the appeal is forced after I tried to cancel it. Kate Watson a lawyer defending the government marches ahead with member Purnell. They acknowledge that I cancelled and I don't have a lawyer and they have the hearing anyway.

https://youtu.be/3jiCaauG4TA

I appeal to my friends at the local dog park for help. I summarise my situation after my suicide attempt that the hospital and government covered up.

I summarise my position yet no one helps me whilst still in my Footscray squat:

Corruption at the AAT and Comcare - a hearing happens despite the charter of human rights and I am unrepresented:

On 04/08/2022 I make a public whistleblower statement and then the police kick in the door and hospitalise me for two months. Whilst I am imprisoned the entire contents of my home are destroyed:

I plead with the Governor Generals office

https://youtu.be/LXxC_YUHSD0

They tell me to put what I said in writing - I emailed them the video and also write a letter:

On 04/02/2023 I make another public whistleblower statement:

https://youtu.be/YdPHFI1ihJw

I oppose my AAT hearing on 06/04/2023 whereby the government have a lawyer and I don't. The conversation goes to Tony Riddle - a former SAS soldier and only one of three people in the country with a counter terorism clearance like his. He needs whistleblower protection as well and he describes how the Australian Government 'sacrifice' people - ie: kill them and he would know he is a soldier.

https://youtu.be/ud63dDGSHgg

I protest my treatment and victimisation in a YouTube video after the hospital and police oversee the destruction of nearly everything I own. I am made homeless and rejected to a shelter with just the clothes on my back.

https://youtu.be/YdPHFI1ihJw

I am a former artist and news graphics artist for The Herald Sun (Who vilified me) and The Age (Who fired me, and a practicing artist of thirty five years:

I have a chance meeting with counter terrorism expert and returned SAS soldier and survivor of black hawk helicopter crash Tony Riddell. He is a person of interest and knowledgeable about the Government process of psychometric profiling - and how individuals are ‘sacrificed’ instead of blaming the system full of public servants who enable people to be literally killed.

I oppose my needless bankrupcy at ASIC:

I make this video as part of my Public Interest disclosure at the Commonwealth ombudsman and name public officials. It is rejected.

https://youtu.be/T_TP9Hg78eE

At another website other than my destroyed www.richmclean.com.au and www.killhim.info I detail many injustices:

I go on a hunger strike and accept all psychiatric support but am incarcerated anyway:

https://sites.google.com/view/barrandodger/hunger-strike?authuser=0

I publish my Public Interest Disclosure to the Commonwealth ombudsman but despite this it is not allocated:

https://sites.google.com/view/barrandodger/commonwealth-ombudsman-pid-submitted-on-27022023?authuser=0

https://sites.google.com/view/barrandodger/andrew-wiklie?authuser=0

I write toward place minister Danny Pearson about both my work cover cases being rejected and he ignores me despite legislation contrary to that:

I send my whistleblower statements to Sia Lagos on 6th March and the 14 day turnaround time to acknowledge a PID passes:
