Dear Barran,

It was a pleasure speaking with you yesterday and I appreciate you taking the time to discuss your concerns with me.

As discussed, I have forwarded your correspondence to your treating team for their awareness and consideration as part of your ongoing care and treatment planning. Following review, no additional Patient Safety & Quality matters requiring investigation were identified at this time.

As a result, I will now be closing this complaint.

Thank you again for speaking with me. I wish you and your dog all the best.

Kind regards,

Renee
