Dear Dr Mclean

REQUEST FOR CONSENT TO DISCLOSE NAME AND CONTACT DETAILS

On 19 April 2023, the Department of Health and Aged Care (the Department) received a disclosure of information from you. I am currently considering whether your disclosure must be allocated for handling by an agency under the *Public Interest Disclosure Act 2013* (the Act). If I decide to allocate the disclosure to the Department, or another agency, I will provide the information you disclosed to one or more delegates of the Principal Officer for handling in accordance with the Act. In order to carry out their duties under the PID Act, a Principal Officer may also need to provide information to other persons with a relevant need to know.

The purpose of this letter is to:

1. Confirm that you intended to send this disclosure to the Australian Government Department Health and Aged Care. I note that the other recipient of this disclosure was the Victorian Minister for Health and as such seek clarity on whether you had intended it to go to the Victorian Department of Health.
2. If the disclosure is intended for the Australian Government Department Health and Aged Care, then I seek your consent to provide your name and contact details to one or more delegates of the Principal Officer and for those people to provide your name and contact details to those with a relevant need to know only to extent absolutely necessary to carry out their duties and functions.

Could you please advise me, in writing, confirmation that this disclosure is intended for the Australian Government Department Health and Aged Care and whether you consent to your name and contact details being provided in the manner set out in Point 2 above, by contacting me at PID@health.gov.au by no later than **2 May 2023**. Your decision to Point 2 above will not impact my assessment as to whether I am required to allocate the disclosure to the Department or another agency.

Yours sincerely

Avi Rebera
Authorised Officer
