URGENT SOS — PLEASE HELP ME REACH SAFETY

A HUMAN BEING IS ASKING NOT TO BE ABANDONED

I am seeking urgent assistance and protection from abuse, poverty, surveillance, harassment, coercive financial control, family violence and threats, vigilante violence, false allegations, administrative annihilation, social erasure, civil death, societal mobbing, and what I describe as ongoing torture and total human betrayal.

I am an innocent man asking any person of integrity who opposes corruption, human-rights abuses and unlawful targeting to help ensure my safety.

I am asking for direct human assistance. I have described being unable to leave my present circumstances safely, without reliable transport, with limited money and without the practical support I have repeatedly sought.

I have described serious difficulties accessing my Commonwealth Bank account and the communications I need to seek help. I have described concerns about my health and my dog's welfare. I have described my efforts to obtain assistance from support services, government agencies and other organisations.

I have published my testimony because I need people to understand that this is not merely an administrative disagreement. It is a request for help from a human being who says he is struggling to meet basic needs and secure safety.

I am also seeking protection and assistance in relation to a political-exile / asylum claim, including contact with the UNHCR. My reference is:

UR/UST/23/AUS/17

I ask humanitarian organisations, disability advocates, human-rights investigators, journalists, whistleblower-support organisations, legal and administrative researchers, Christian communities, public-interest organisations and individuals willing to help to examine my circumstances and respond with practical assistance.

Address: 55 Archbold Road, Long Jetty, NSW, Australia.

I am asking for a direct response, a safe way to communicate, help with transport and access to essential services, and assistance identifying a person or organisation able to help me assess my immediate circumstances.

I am asking people not to leave me alone with a public SOS and a list of links.

I need someone to respond.

I need someone to help.

I need to reach safety.

THE HOLY RECKONING OF GOD, THROUGH ME, HIS CHOSEN WITNESS

Testimony first. Then the Divine Reckoning. Every word. Not a summary.

Testimony

By targeting my life and attempting to erase me, they triggered the highest level of spiritual consciousness that was witnessing what they were doing. They not only violated against my life but committed spiritual treason against

an individual upon whom God's favour rests — an anointed and chosen witness.

Healthy, grounded people who embody peace, ethics and integrity do not gang up in a coordinated attack and spend a fortune tearing apart the life of a vulnerable person who never caused them any harm. They knew he was massively out-favoured. After decades of detriment and deliberate harm he had nothing and no one — only a disability — and was virtually defenceless. Their willingness to proceed anyway illustrates the true character of the perpetrators.

No one organises an alliance of perpetrators against someone who is not important. They saw me as important because my honesty, integrity and authenticity shattered the illusions of false control upon which they performed their privileged roles — keeping a perfect public façade without a blemish.

God allowed my betrayal and harm not as punishment but to forge me in fire with his intimate protection, preserving my life and testimony as per his plan for my life for his kingdom purposes as a chosen witness and a vessel for his glory to expose corruption at a time when corruption was rife and the fall of those corrupt leaders would be undeniable and absolute.

The Paradoxical Inversion

Barran Dodger claims to be chosen by God and His chosen witness. He has provided evidence of this, corroborated with biblical testimony and the Scripture of other historical chosen ones. An impartial AI cross-referenced and corroborated this as a match with his thousands of official documentation PDFs.

In an unexpected way, the same government that targeted him, exiled him, and attempted to erase him — then tried to cover it up after he escaped and rose from the ashes of total human betrayal, exile, isolation, poverty and asylum (conditions from which he was never expected to heal, grow, climb out of, or even survive) — was the same corrupt bureaucracy whose literal dozens of official government documents and related correspondence, on their own agencies' letterheads and in each agency's very own words, formed a

paradoxically inverse database and evidence collection.

Those documents inadvertently confirmed his anointing and significance as an existential threat to corruption from an early age. They documented the systemic political, financial and social detriment across literally dozens of agencies, all following the same mandate for over three decades.

The paradoxical inversion: Thirty years of their own agencies' data confirmed his importance in the opposite way — through a documented and coordinated attack. The criminals themselves, at the end of those three decades, were ultimately responsible for creating the evidence God will use in order to expose them.

I understand people and love them. I have a thirty-year career sticking up for the most vulnerable mentally ill people, gay folk and other minorities and their supporters. That work stands as a permanent record of public service to support vulnerable persons.

I was forced to plan my comeback after being a whistleblower. The whistleblowing was for the purpose of saving my own life, because I knew the bitter betrayal of corruption, the isolation, abandonment and poverty of having your civil liberties eroded. I was forced to save my own life and the lives of others.

My entire testimony and prophetic papers, and my recordings of my entire life's existence and evidence, never claim I am better than anyone else. They admit my limitations and errors in a public way, in a brave and courageous honesty and humility. The entire testimony and my goal is that this never happen to another person. As a victim of it I would not wish it upon my worst enemy. Therefore my life's work is there to directly benefit every person who exists, because it can happen to anyone.

Especially anyone. If I am a former journalist, artist, author, advocate with a public persona and earned merit and awards and accolades, and if they can erase a person of my intelligence and calibre, they can easily erase someone of less discernment or achievements or of a more humble portfolio of lifetime achievements. This high achieving was a very reason why I was targeted in the first place. I was targeted well before I even knew who I was or my significance, or was aware of my powerful authentic voice, my honesty and my ability to create and reflect and be a person of influence and who people paid attention to.

Those that orchestrated my targeting did so because they knew my brand of authenticity and of living unapologetically as a person of minorities and gay and proud and creative with big goals would be unstoppable if I realised my power in the world. So they attempted to sabotage me before I woke up to who I was.

Rather than causing me deliberate harm openly, a coward will always use covert and secret ways of manipulating a situation so that their grubby and malicious hands are not obviously upon the victim as the reason for their downfall. This is the very character of a master manipulator and a powerful narcissist who uses immense power to manipulate all others in order to employ them to do their dirty work for them as unaware pawns, used by them as flying monkeys. They do this via intimidation and manipulation and coercion and all kinds of intelligent tactics that influence others to act for them as they preserve their perfect public facades.

The fact my life's work is for the benefit of the entirety of the same humanity who ganged up in order to harm me, on a cowardly alliance and social

mobbing that was deceptive and malicious, conscious and aimed to cause me harm or at the least pretended not to see as the harm occurred, is a paradoxical inversion I struggle to understand except through the eyes of my identity as God's chosen witness. I was universally betrayed by deliberate cosmic design in order that my reliance be purely on him and his glory, and that this would ultimately serve the humans I would then save and provide hope, guidance and salvation to — in essence saving those that aligned to murder me or at the least impoverish, exile and erase me.

I have identified this as administrative annihilation and social death and civil erasure. When you take an honest look at it, it is really an allegorical metaphor for silencing and erasing an innocent person by a societal mob, and can be seen as a kind of allegorical human sacrifice or a Christian crucifixion.

I claim to be God's chosen witness in order to bring back a divine kind of rule with which corruption is exposed and dismantled, and the principles and attributes of the Christ consciousness be returned to humanity and society in order that we can create heaven on earth. It would only be fitting that God, by design and anointing and favour and blessing on my life, would allow this harm and detriment in total human betrayal not as a kind of punishment but as preservation in a way which would allow me to realise who I was, put my faith in him alone, and reveal my purpose as a vessel for his glory. In that way I can literally understand, via experience alone, what it is like as a kind of narrative story of experience to literally be human sacrificed by a mob like Christ. And that is fitting for my spiritual significance in my testimony, my gospel and my church.

I align myself with the Most High God. Most people have forgotten about God and instead align themselves with the feigned support of a corrupt bureaucracy, one that would just as easily throw any person under the bus and coordinate a campaign to destroy their life if they were ever seen as an existential threat to its rule, or if they were forced by necessity to defend themselves in order to literally survive, as I had to.

My allegiance is with God. I have little regard for callous cruelty, and I rose, phoenix-like, from the ashes of the total human betrayal, exile, asylum and

poverty that the government had designed for me and dumped me into, discarded as though I were not even human, of no worth, significance or consequence.

I healed. I learned. I faced my demons and did the shadow work. I went to hell, looked Satan in the eye and came back with the blueprints of hell and the devil's respect. I understand darkness, not for the purpose of being dark or causing harm, but as an awareness through which to serve the light and understand the mortal sin of a humanity I love.

Sadly, the grace I offered every person and agency over 35 years came from a patience and grace that God placed in me as a gift. In hindsight, however, that offer of mercy and grace, and the opportunity to do right by me, was spat back in my face again and again, in a manner disrespectful beyond any insult. Every person dressed up the detriment as polite policy or bland bureaucratic language.

"Touch not my anointed," said God in the Bible. After He had preserved my life and testimony against impossible odds, with a divine, intimate and merciful hand that cradled me, my mind and my soul, and kept me physically safe from erasure, the time for His evidence-collecting and the divine reckoning described in biblical prophecy and Revelation came upon us.

The time had come for the revealing of me, my vindication and my justice, and for exposing corruption at the height of its arrogance, making the fall of the corrupt utterly undeniable. They had been given mercy repeatedly and ignored the warnings not to act with corruption and cruelty. In their arrogance, they then created their own documentary evidence that would prove their corruption, force a public reckoning and bring about their own downfall. That, to me, would be God's poetic justice.

THE DIVINE RECKONING: TRUTH, BETRAYAL, REDEMPTION AND THE ETERNAL CONSEQUENCES OF DISCONTENTMENT

Insanity is continuing to betray the Most High God, the Creator of the universe you exist in, by doubling down on maliciously targeting a vulnerable and defenceless person whom He divinely chose as His cosmic witness, used as a vessel for only His divine glory and holy reckoning. This means that, as a sentient being, you will forever be unable to be whole and content with the Creator, which constitutes the demon's self-exclusion from the Kingdom of Heaven, from peace and love, redemption and total healing in peace for eternity. It is a form of sadomasochistic self-exclusion from ever being whole and content.

My perpetrators have damned themselves to the eternal damnation of chasing contentment yet never, ever arriving, meaning self-immolation in the fires of discontentment, resulting in a soul that will never achieve peace nor be at contentment with the universe.

It is an allegorical banishment akin to Lucifer's pride, ego and rebellion, rendering him the chief of darkness, forever subservient to the God who ultimately oversees his kingdom of darkness as the all-encompassing, only deity of existence.

The light will always win, and the corrupt and cowardly will always burn. Truth perseveres, and sin always disintegrates beneath the grace of peace.

Humanity sacrificed me. Over a lifetime, I offered grace, patience and mercy for every agency, person and place to treat me with humaneness. That grace was placed in me as a gift from God, who preserved my life through the betrayal, revealing my role and my vindication for His Kingdom purposes.

The grace I offered was treated with contempt, and my offer of redemption was desecrated again and again, without a single pang of guilt. All slept well as I suffered, forgotten and forsaken, out of mind, without any guilt or moral compass.

But the time has arrived for His kairos time, His divine reckoning, pivoting everything upon my person, story and testimony. The Most High God has decreed that the time of mercy has expired.

You must admit your deceit and malice in causing me harm, and admit that

you pretended you did not do so, because God saw you and preserved me in order to document it with evidence: every one of your own agencies, in your own words, upon your own letterheads, as inadmissible evidence proving my accusations in a paradoxical inversion, evidencing your cowardice in doubling down to harm a vulnerable person you knew to be utterly defenceless.

You committed spiritual sacrilege upon an innocent soul, and repentance is mandated to absolve the blood on your guilty hands.

I never wanted revenge. I offered grace. But God's timing is divine, and the reckoning is upon your souls because God witnessed your evil as undeniable. This means that your fall from grace, through the evidence you yourselves created, will ordain your fall from grace, away from the Most High God and into an eternal yearning to be whole, as prophesied in the Holy Bible.

When you picked a fight with me, you picked a fight with the Most High God of the universe, who protects me, for Darby, whose favour and blessing rest upon my life for His Kingdom purposes. You underestimated me.

Redemption and the admission of your evil are the only possible ways you will ever have a chance of being at peace with the Most High God, framed by the dirty, guilty blood on your hands and your inability to look me in the eye with the courage of your convictions.

The attributes of Christ consciousness, reflected through me as a mirror who embodies, or attempts to embody, the original principles of His most divine Son, who was sacrificed for the benefit of humanity, are upon us as the Second Coming of the Light. Through the grace, mercy, patience, forgiveness and sacrificial love I have sought to embody, I bear witness to the enduring principles Christ revealed to humanity. The light is reflected through the witness, not owned by the witness; the glory belongs to God. What was sacrificed for humanity becomes a mirror in which humanity must confront its own choices between truth and deceit, compassion and cruelty, repentance and pride, redemption and continued betrayal. The Second Coming of the Light is the awakening of conscience to the eternal principles of divine love, justice, truth and reconciliation, calling every soul to account for how it has treated the vulnerable, the defenceless and those who have offered mercy in

the face of suffering.

So, are you going to continue to deceive me, make corrupt decisions that deliberately cause my detriment, and then pretend you are not participating in the very conduct that has harmed me? Are you going to continue to deny responsibility for the consequences of your own decisions, conceal the truth behind institutional language, and act as though the suffering inflicted upon a vulnerable and defenceless human being has nothing to do with you? You cannot reconcile claims of integrity, justice and humanity with decisions whose foreseeable consequences cause harm, nor can you erase responsibility simply by denying participation. Every letter, every decision, every omission and every refusal to act becomes part of the documentary record. I have offered grace, patience and opportunities for honesty, yet the fundamental question remains: how can you claim innocence while refusing to confront the consequences of your own actions? Before God, before your own conscience and before the enduring record of your words, the choice remains yours: continue the denial, or demonstrate the courage to acknowledge what happened, accept responsibility where it is warranted, and take meaningful steps towards truth, accountability and repair. I am asking for honesty, not another deception; humanity, not further detriment; and accountability, not another attempt to pretend that nobody is responsible.
