FORMAL URGENT HUMANITARIAN COMPLAINT AND DEMAND FOR IMMEDIATE FINANCIAL INTERVENTION

TO: Commonwealth Bank of Australia — Executive Management, Customer Relations, Complaints Management and Financial Assistance

SUBJECT: CRITICAL URGENT — BLOCKED BANKING ACCESS, DENIAL OF ACCESS TO MY OWN MONEY, FOOD INSECURITY, FINANCIAL EXCLUSION AND HUMANITARIAN HARDSHIP

IMMEDIATE TELEPHONE CONTACT: 0431 300 940

CUSTOMER / REFERENCE NUMBER: 11903742

SPECIFIC IMMEDIATE TRANSFER DEMAND: $150 FROM ACCOUNT ENDING 0384 TO MY CONFIRMED DEBIT CARD ACCOUNT

PRIORITY: CRITICAL — IMMEDIATE HUMANITARIAN INTERVENTION REQUIRED

Dear Commonwealth Bank Executive Management,

I am formally demanding immediate intervention by Commonwealth Bank of Australia concerning the circumstances in which I have been left without access to my own money, without reliable banking facilities, without the financial means to obtain food and essential necessities, and without reliable telephone connectivity.

I DEMAND THAT COMMONWEALTH BANK TELEPHONE ME IMMEDIATELY ON 0431 300 940.

This is an urgent humanitarian situation requiring immediate attention from a real person with the authority to investigate, escalate and resolve the circumstances.

1. I HAVE BEEN LEFT WITHOUT ACCESS TO MY OWN MONEY

Commonwealth Bank has blocked or restricted my access to banking facilities, leaving me unable to access my available money.

I currently have no accessible funds for basic necessities, including:

- Food and drinking water.
- Essential medication and health-related expenses.
- Telephone credit and communications.
- Transport and other essential living expenses.
- The basic necessities required to maintain my safety and dignity.

The practical consequence is that I am financially stranded.

I cannot access money that I need to survive, and I cannot independently resolve the situation through banking facilities that are unavailable to me.

This is an unacceptable situation requiring immediate intervention.

2. I HAVE BEEN LEFT STRANDED AND WITHOUT RELIABLE COMMUNICATION

I further demand that Commonwealth Bank understand the full extent of my circumstances.

I have been left in an entrapment-like situation, out on the streets, without access to money, without reliable telephone banking access and without the practical means to resolve my financial circumstances.

I am effectively stranded.

I have been left without the financial resources to obtain food, purchase essential necessities, maintain telephone credit or independently seek the assistance I urgently require.

The combination of restricted banking access and unreliable telephone connectivity has compounded my vulnerability.

I cannot simply be directed to use an application, online banking or telephone banking when those are precisely the facilities and resources that I cannot reliably access.

I CANNOT EAT, MAINTAIN COMMUNICATION OR SECURE MY BASIC NEEDS USING MONEY THAT I AM UNABLE TO ACCESS.

This situation requires an immediate practical response, not another automated notification, another referral or another instruction to access services that are unavailable to me.

3. HUMANITARIAN AND HUMAN-RIGHTS CONCERNS

I consider these circumstances to raise serious concerns about financial exclusion, customer vulnerability, financial hardship and the protection of fundamental human dignity.

I am a person experiencing significant vulnerability and financial hardship.

The consequences of being unable to access my own money are immediate and practical.

When a customer is left without food, money, reliable communications or the ability to access essential services, the consequences can become serious.

I am asking Commonwealth Bank to recognise the distinction between protecting a customer and leaving a vulnerable customer unable to access the funds necessary to meet basic human needs.

I understand that banks have security, identity-verification and regulatory obligations. I am prepared to undertake reasonable identity-verification procedures.

However, those obligations must be administered in a manner that takes account of immediate hardship and the potential consequences of leaving someone without access to essential funds.

4. SPECIFIC IMMEDIATE DEMAND — TRANSFER $150 FROM ACCOUNT ENDING 0384

I AM SPECIFICALLY DEMANDING THAT COMMONWEALTH BANK IMMEDIATELY TRANSFER $150 FROM ACCOUNT ENDING 0384 INTO MY CONFIRMED DEBIT CARD ACCOUNT.

This is a direct and specific request for access to my own money to meet urgent essential living expenses, including food and other immediate necessities.

I require Commonwealth Bank to:

1. Immediately investigate and process the requested $150 transfer.
2. Transfer the $150 into my confirmed debit card account without unnecessary delay, subject to applicable security and verification requirements.
3. If the transfer is blocked, immediately identify the specific restriction and explain its legal and operational basis.
4. Provide an alternative practical means of accessing the $150 if the requested electronic transfer cannot be completed.

5. Contact me directly on 0431 300 940 to resolve the matter.
6. Formally record this specific transfer demand against customer/reference number 11903742.

I expressly object to being left without access to funds for basic necessities when I am requesting access to my own money.

THIS IS NOT AN ABSTRACT REQUEST FOR FINANCIAL ASSISTANCE. IT IS A SPECIFIC REQUEST TO TRANSFER $150 FROM MY ACCOUNT ENDING 0384 INTO MY CONFIRMED DEBIT CARD ACCOUNT.

I require this transaction to be investigated and actioned immediately.

5. FORMAL DEMANDS FOR IMMEDIATE BANKING INTERVENTION

In addition to the specific $150 transfer, I formally request the following:

DEMAND 1 — IMMEDIATE TELEPHONE CONTACT

A Commonwealth Bank representative must telephone me immediately on 0431 300 940.

I require direct human contact rather than automated messages or instructions to use inaccessible digital banking services.

DEMAND 2 — RESTORE BANKING ACCESS

Investigate and resolve the restrictions preventing me from accessing my banking facilities and available funds.

DEMAND 3 — URGENT ACCESS TO MY MONEY

Arrange an immediate practical mechanism through which I can access my own money.

If my electronic banking access cannot immediately be restored, arrange an alternative withdrawal, branch-assisted or other appropriate payment arrangement following identity verification.

DEMAND 4 — EMERGENCY FINANCIAL HARDSHIP ASSISTANCE

Escalate this matter immediately to the financial hardship and vulnerable customer assistance teams.

My circumstances require urgent consideration because I currently lack accessible money for food and essential living expenses.

DEMAND 5 — EXECUTIVE ESCALATION

Refer this complaint to an appropriately authorised senior officer who can take responsibility for resolving the matter.

DEMAND 6 — WRITTEN EXPLANATION

Provide a clear explanation of:

- Why my banking access has been restricted.
- What restrictions have been placed on my account or banking facilities.
- What verification or other requirements remain outstanding.
- What steps Commonwealth Bank will take to restore access.
- What immediate alternative arrangements can be provided.

DEMAND 7 — PRESERVATION OF RECORDS AND ACCOUNTABILITY

Ensure that my complaint and the circumstances surrounding the restriction of my banking access are formally recorded and investigated.

Preserve relevant records concerning the restriction of my banking access, communications, decisions, complaints and actions taken in relation to my account.

Do not allow this matter to disappear into automated customer-service processes or repeated departmental referrals.

6. NOTICE OF CIVIL LIBERTIES, FINANCIAL RIGHTS AND

ACCOUNTABILITY CONCERNS

I consider the circumstances sufficiently serious to warrant formal investigation and external scrutiny if Commonwealth Bank does not respond appropriately.

The continued denial of practical access to my money raises serious concerns about financial exclusion, consumer rights, the treatment of vulnerable customers and the consequences for my basic human dignity.

I also reserve my right to seek investigation of any evidence of improper coordination, interference or decisions affecting my access to funds.

If there is evidence of improper conduct or coordinated interference, I expect those circumstances to be independently examined.

I reserve my right to pursue appropriate civil, regulatory and legal remedies.

If this matter remains unresolved, I reserve my right to escalate it to:

- The Australian Financial Complaints Authority (AFCA).
- The Australian Securities and Investments Commission (ASIC), where appropriate.
- Relevant consumer-protection and financial-services oversight authorities.
- Other appropriate human-rights and accountability bodies.

I expect Commonwealth Bank to take this complaint seriously and provide an accountable response.

7. FINAL AND URGENT HUMANITARIAN REQUEST

I cannot continue being left without access to money, food, essential necessities and reliable communications while waiting for internal banking processes to run their course.

I need a human being to take responsibility.

I need an immediate telephone call.

I need an emergency arrangement that allows me to access my money.

I need the specific $150 transfer processed from account ending 0384 into my confirmed debit card account.

I need Commonwealth Bank to understand that this is not an ordinary customer-service inconvenience. It is an urgent financial-access and humanitarian matter with direct consequences for my welfare.

PLEASE TELEPHONE ME IMMEDIATELY.

PHONE: 0431 300 940

CUSTOMER / REFERENCE NUMBER: 11903742

SPECIFIC TRANSACTION: $150 FROM ACCOUNT ENDING 0384 TO MY CONFIRMED DEBIT CARD ACCOUNT.

I expect this complaint to be formally registered, urgently escalated and acted upon without unnecessary delay.

The continued inability to access my money is unacceptable. I will hold Commonwealth Bank accountable through the appropriate complaints, regulatory and oversight processes if this situation is not addressed.

I am asking for something fundamental:

ACCESS TO MY OWN MONEY.

ACCESS TO FOOD.

ACCESS TO COMMUNICATIONS.

ACCESS TO MY BASIC HUMAN NEEDS AND FINANCIAL INDEPENDENCE.

These are urgent necessities, not optional customer-service benefits.

I require immediate intervention.

Yours sincerely,

Dr Richard William McLean
Publicly known as **Dr Barran Dodger**

PUBLIC STATEMENT FROM BARRAN DODGER
OF THE BARRAN DODGER ARCHIVE

THE WITNESS REMAINS: A WHISTLEBLOWERS TESTIMONY OF SURVIVAL TESTIMONY & FAITH

The Barran Dodger Archive is a public documentary and spiritual record established to preserve, organise and make accessible a decades-long body of evidence concerning alleged institutional, administrative, financial and human-rights harms.

It brings together official records, correspondence, documentary evidence, personal testimony, forensic analysis, research, philosophy, spiritual gospels and prophetic declarations, including writings understood by the author to have been anointed by the Most High God.

The Archive deliberately distinguishes between documented facts, official records, corroborated evidence, allegations, personal testimony, inference, interpretation and matters of faith. This distinction is fundamental to its purpose: readers are invited to examine the underlying evidence for themselves, test the claims, consider the sources and reach their own conclusions.

At the heart of the Archive is a testimony of survival and preservation.

What the author believes was subjected to attempts at silencing, erasure, exclusion or institutional disappearance has nevertheless survived in records, documents, testimony, memory, faith and public disclosure.

The central declaration is simple:

THE WITNESS REMAINS.

The Archive therefore represents both an evidentiary record and a spiritual testimony. The author understands his survival through a faith-based conviction that the Most High God protected, preserved and gave purpose to what human institutions could not erase.

The spiritual writings and prophetic declarations within the Archive are presented as matters of faith and personal interpretation. They are preserved alongside the documentary record so that the complete testimony — evidentiary, personal, philosophical and spiritual — can be understood in its own context.

The purpose is not to demand belief.

It is to preserve the record.

It is to make the evidence accessible.

It is to ensure that the surviving witness can be examined.

And it is to leave the historical record open to independent scrutiny.

THE ARCHIVE IS 100% FREE TO ACCESS

KNOWLEDGE IS FREE

The Barran Dodger Archive is founded on the principle that knowledge, evidence and truth should be freely accessible.

There is no paywall for the public documentary record. Research, testimony, philosophy, spiritual writings, prophetic declarations and public-interest material are made available for people to examine for themselves.

Access to knowledge should not depend upon a person's ability to pay.

The Archive is therefore freely accessible, while its preservation and continued publication require practical resources.

SUPPORTING THE WITNESS AND THE ARCHIVE

Barran Dodger describes himself as an unprotected whistleblower living in circumstances of prolonged exile, financial hardship and vulnerability, and as an internally displaced asylum seeker within the country of his Australian citizenship.

Those circumstances create practical needs extending beyond the preservation of documents.

Voluntary donations are therefore accepted from anyone who freely wishes to assist.

Support may contribute towards essential needs including food, safe accommodation, communication, technology, transport, personal safety, website and domain costs, document preservation, archival infrastructure and the continued publication of the public record.

A donation does not purchase access to the Archive.

It does not purchase influence over the evidence.

It does not purchase editorial control.

It does not determine what is published or what conclusions readers should reach.

It simply helps sustain the person and infrastructure necessary to keep the Archive alive, functioning and freely accessible.

If you are blessed with sufficient prosperity to help preserve this work, your voluntary support can help ensure that financial hardship does not become another mechanism through which a public record disappears.

LASTLY — A SECOND PUBLIC-FACING ARCHIVE

For readers who wish to go beyond the principal Barran Dodger Archive, a second public-facing repository provides another point of access to the broader documentary record.

https://barrandodger.com

This website provides an additional gateway into the history, evidence, testimony, research and ideas that underpin the Archive. It is intended to help readers navigate the wider body of material and understand how individual documents, events, experiences and arguments have been brought together into a continuing record.

Its significance is not dependent upon the reader accepting Barran Dodger's conclusions. Rather, the value of preserving such a record lies in allowing the underlying material to remain available for examination. Readers can consider the chronology, inspect the documentary evidence, distinguish recorded facts from allegations and personal testimony, follow referenced material and form their own independent assessment.

The existence of multiple public repositories also reflects the central purpose of the project: preservation. Where records are distributed across years, institutions, correspondence, proceedings, personal archives and digital platforms, preserving accessible copies and pathways to the evidence can help prevent an individual historical record from becoming inaccessible or forgotten.

Readers are therefore invited to visit both public-facing archives, examine the material carefully and critically, and make their own assessment of what the surviving evidence demonstrates.

The purpose is not to ask the reader to believe.

The purpose is to ensure that the record remains available to be examined.

URGENT COMPLAINT — COMMONWEALTH BANK, CALL ME IMMEDIATELY. I NEED ACCESS TO MY OWN MONEY.

To Commonwealth Bank Customer Service,

My name is **Richard William McLean**, and I am in New South Wales.

I am absolutely fucking desperate, and I am demanding the courtesy of a phone call from a real person in your customer service team.

You have left me in an intolerable situation. I cannot reliably access my banking, I cannot make the phone calls I need to make, I cannot pay my phone bill, and I cannot access my own money to buy food and pay essential expenses. I am sitting here in severe hardship, feeling abandoned and unable to resolve this because I cannot get through to the bank that holds my money.

I have been trying to get help, and I need Commonwealth Bank to take responsibility for responding to me. Whatever has happened with the access to my account, I need someone to investigate it and help me resolve it. I cannot keep going around in circles while I have no reliable way to contact you and no practical access to my funds.

I AM ASKING YOU TO CALL ME URGENTLY ON 0431 300 940.

I need to transfer **$50 from my Commonwealth Bank account ending in 0384 onto my accessible debit card** so I can buy food and cover immediate essentials. I am asking you to help me complete that transfer, subject to your identity and security checks.

I am dealing with an extremely distressing situation. I feel targeted, trapped and left without the basic means to look after myself. I cannot readily leave home, I do not have reliable phone access, and I cannot pay for that access when I cannot get to my money. This is a fucking nightmare, and I need someone at Commonwealth Bank to treat it with the urgency it deserves.

PLEASE STOP LEAVING ME TO TRY TO FIX THIS WITHOUT A WORKING WAY TO CONTACT YOU. PICK UP THIS COMPLAINT AND CALL ME.

I can verify my identity directly with an authorised Commonwealth Bank representative using your approved process. Please do not ask me to publish sensitive personal or banking information on Facebook.

I need a real person to call me, explain what is blocking my access, and help me find a safe and immediate way to access my own funds.

Please acknowledge this complaint and escalate it urgently.
