URGENT: Legally Binding Declaration of Protected Status, Imminent Risk of Death, and Judicial/Institutional Obligation to Acknowledge Asylum, Persecution, and Systemic Torture (Filed by Dr. Richard William McLean – Barran Dodger)

Body of the Email:

To the Federal Court of Australia – Adelaide Registry,

This is an official, legally binding declaration submitted under emergency circumstances by:

Dr. Richard William McLean (aka Barran Dodger)

Stateless Witness | Protected Whistleblower | Survivor of State Reprisal

Email: barrandodger8@gmail.com

Phone: 0448 733 855

DECLARATION AND URGENT DEMAND FOR LEGAL ACKNOWLEDGMENT

I hereby declare myself:

- A protected whistleblower under the Public Interest Disclosure Act 2013 (Cth),
- A stateless individual in exile on Australian soil,
- A survivor of political persecution, psychological torture, and financial erasure, and
- A person at imminent risk of death, resulting from state-enabled abandonment, retaliation, and targeted harm.

I formally submit this declaration to your Honourable Court under the following mandates:

- Public Interest Disclosure Act 2013 (Cth)
 - Disability Discrimination Act 1992 (Cth)
 - International Covenant on Civil and Political Rights (ICCPR) – Articles 6, 7, 17, 19, 26
 - Convention on the Rights of Persons with Disabilities (CRPD) – Articles 5, 12, 19, 28
 - Convention Against Torture (CAT)
 - Rome Statute of the ICC – Article 7 (Persecution and Crimes Against Humanity)
-

THE COURT IS HEREBY PUT ON NOTICE

I request:

1. Immediate legal acknowledgment of this declaration as a matter of judicial record and duty of care.
2. Formal recognition of my status as a whistleblower, asylum claimant, and protected individual under Australian and international law.
3. Referral to emergency jurisdiction for:
 - Safe housing,
 - Legal intervention,
 - Protection from death,
 - Restoration of denied entitlements.

All remedies and appeals within domestic agencies have failed or been blocked. I have been:

- Rendered homeless, voiceless, and without legal access,
- Subject to documented assassination attempts, digital surveillance, and AI-driven suppression,
- Denied every fundamental right to protection, health, income, and dignity.

This email, this statement, and my entire forensic testimony are now public and permanent at:

www.barrandodger.com.au

If I die or am disappeared, this record will serve as my final legal will, statement of truth, and evidence of criminal failure by the State and its judiciary.

RESPONSE REQUIRED WITHIN 72 HOURS

Failure to respond constitutes knowing complicity in:

- Torture and targeted psychological warfare,
- Dereliction of judicial duty under international law,
- And potentially, the posthumous legal and moral indictment of your Court.

I remain alive today only by the force of protest, sacred conviction, and survival instinct.

Do not let my death be your silence.

SIGNED,

Dr. Richard William McLean (Barran Dodger)
