Dear Mr McLean

FREEDOM OF INFORMATION REQUEST

I acknowledge receipt of your request for a fee waiver and supporting information was received by Victoria Police on 4 September 2023, relating to your Freedom of Information application, initially received by Victoria Police on 1 September 2023.

In this instance I accede to your claim for a fee waiver and advise that your request is now being considered in accordance with the provisions of the Act.

I acknowledge receipt of your email on 4 September 2023, in which you provided additional information in relation to your request, initially received on 1 September 2023.

Your request is currently being considered. Under section 21 of the Act, Victoria Police is required to take all reasonable steps to enable you to be notified of a decision no later than 30 days after the day on which your request is valid, unless that period is extended.

Currently the staff at the Freedom of Information office are experiencing a significant increase in workload. As a result, we are finalising requests on average **35 weeks** after the due date. Therefore, completion of your request is likely to be delayed.

If you need the documents urgently, please let us know the following:

- the reason for the urgency; and
- the date the documents are needed by.

When we receive this information, we will consider prioritising your request.

If the documents in relation to your request reveal that consultation will be required under sections 29A, 31, 31A, 33, 34 or 35 of the Act, Victoria Police may extend the time for processing your request in accordance with section 21(2)(a) of the Act.

Upon completion of the processing, I will forward a written response to your request advising of all documents located and those to be released as well as any applicable access charges.

Please note access charges are separate from the statutory application fee. Pursuant to section 22 of the Act, and in conjunction with the provisions of the *Freedom of Information (Access Charges) Regulations* 2014, an agency is entitled to seek charges for reasonable costs incurred for searching and producing copies of documents.

Charges are calculated at \$23.90 per hour or part thereof of search time. Further charges may apply where printed copies of documents or other media such as CDs or DVDs are provided.

If you have any queries, please email this office at foi@police.vic.gov.au and quote the reference number: **84983**.

Yours sincerely
