Further information

Returning to work

If you have a work capacity for suitable employment your employer and case manager will use the information provided by your certifier on the Certificate of Capacity to assess suitable options for you to safely stay at or return to work. They will take into account what you can do safely and any limitations that apply to your individual circumstances. A capacity for suitable employment could mean working reduced hours while you recover or working modified or different duties until you can return to your normal work with your pre-injury employer or another employer.

Privacy

The TAC and WorkSafe (WorkSafe Agents and Self-Insurers) will handle your personal and health information in accordance with their privacy policies and legislation. You can access privacy policy information at the TAC and WorkSafe websites.
