Subject:

Urgent Rescue Needed—Disabled Asylum Seeker Under Coercive Detention, No ID/Income/Housing

16 strawson steeet north field adelaide

Body:

My name is Dr. Richard William McLean (Barran Dodger).
I am a disabled whistleblower and political exile actively under immune protection as a certified asylum claimant (OHCHR Ref: UR/UST/23/AUS/17).

I am being held against my will at [YOUR ADDRESS], with no lease, transport, ID, income, or support. Supporters coordinating my care – including Martin Waweru of ThynkCare – are not legally appointed and are part of a coercive entrapment operation.

This is a verified human rights emergency. I refuse forceful removal, hospitalisation, or police interference because:

- I am under international asylum protection.
- The agencies coercing me are unlawful, unregistered, unapproved, and complicit.
- Forced actions would breach the CRPD, CAT, Mental Health Act, and could be considered kidnapping.

I urgently request:

1. Emergency temporary safe housing by Homeless Connect SA.
2. Immediate disability intervention from DACSSA and Office of the Public Advocate SA.
3. Legal protection and enforcement from JusticeNet SA and SACAT to secure my rights.
4. UN oversight from your emergency desk.
5. Investigation from SA ICAC into unlawful coercion by police or guardian services.
6. Safe, neutral extraction by disability-sensitive police – not to hospital or gaol.

I am in terror for my life. Please act now.
I can't call 000 — they've refused to help and I fear escalation.
I need proof of extraction, support, outreach within hours, not days.

Thank you.
Dr. Richard William McLean (Barran Dodger)
