Subject: Your complaint about the Victorian Equal Opportunities and Human Rights Commission (VEOHRC) C/21/16558 [SEC=OFFICIAL]

Dear Rich Mclean

Thank you for your complaint about VEOHRC. I listened to your call with Michelle Mead. I heard that she did not outright reject your complaint but she was explaining that the Equal Opportunity Act allows them to accept complaints where the complainant has suffered discrimination due to a particular attribute. My understanding of the call is she was explaining that the information on your complaint was too broad.

Based on this conversation, she explained that VEOHRC does not have jurisdiction over the matters that you raised, which is consistent with its remit.

I also understand she said that she would send you a letter that further explained her decision. I could not identify a problem with her decision. It seems from listening to the conversation that you were unwilling to accept her attempts to explain the limits of the office's role.

There is no role for our office in this matter.

Yours sincerely

Pauline Lionnet

Dear Rich McLean

Thank you for the email. I apologise in the delay in my response to you.

I have created a new case C/21/16558.

I will consider the information that you have provided and respond to you more fully next week.

Yours sincerely

Subject: CM: VHREOCV lady rejecting every argument she said she would email but didn't evidence

Dear Pauline at Ombudsman VIC (cc dad and legal assist)

Apologies for the unsolicited email Pauline

Here is the frustrating phone call with Victorian equal opportunity commission who cover discrimination and victimisation of which I claim has marred me

She rejects everything I say-please acknowledge this as evidence

I will be compiling just this tiny facet framed by other much much broader things in my application that is underway

You can tell in her tone that she knows who I am and that I will get nowhere with her

This is exactly and precisely the injustice discrimination prejudice and victimisation that they claim to tell people they will protect people from

It is abhorrent and immoral and illegal

Recordings are permitted in Victoria under evidence in court via an exemption in the surveillance act 1999 for litigation

She promised she would email me with things they could investigate because she kept incessantly deflecting away from an entire range of injustices

Unsurprisingly- no email came

I will follow up with them though, share this recording and identify her as one of the complicit pawns in this intelligent design to maim me rob me of justice and prosperity

This is why there will be an inquiry

Regards

Dr Rich Mclean
