THIS DOCUMENT IS PROTECTED FROM ILLEGAL REPRODUCTION

For protection from illegal reproduction, this document has been printed using Eucalyptus (Eucalyptus) paper. This document is protected from illegal reproduction by the use of a security thread. The security thread is a thin, transparent thread that runs through the document. The thread is visible when the document is held up to the light. The thread is also visible when the document is scanned. The thread is a security feature that helps to prevent the document from being reproduced without the permission of the Registry of Births, Deaths and Marriages.
