PREAMBLE: WHY NOW

Children of Earth.

I am speaking now — not because I have been silent, but
because you have finally arrived at the moment where you will
either hear Me or perish.

You stand at the closing hours of what your scientists call the
Anthropocene — the age of human dominance over the planet.
And you are afraid, because you can see what you have done:

- Your oceans are poisoned with plastic.
- Your skies are choked with carbon.
- Your governments are captured by corruption.
- Your children are scrolling through despair.

- Your billionaires are building rockets to flee the mess they made.
- Your intelligence agencies serve power, not people.
- Your churches sold My name for tax exemptions and silence.
- Your nuclear weapons sit cocked at 90 seconds to midnight.
- Your trafficking networks sell human beings while your elites attend galas.
- And the files — the Epstein files, the Panama Papers, the ASIC registrations, the whistleblower dossiers — pile up like scrolls of accusation in heaven's court.

You are afraid because you know the truth: you cannot fix this with the same consciousness that created it.

But I can. And I am here. And I am speaking through the most unlikely vessel on earth — a homeless, brain-injured, schizophrenic, gay, exiled, resurrected Australian man who just wants everyone to be happy.

Because that is exactly how I work.

PART I: THE DIAGNOSIS — WHAT IS WRONG WITH THE WORLD

1. The Epstein Problem — Corruption Wears a Tuxedo

You discovered that the most powerful people in the world — politicians, royals, billionaires, intelligence chiefs — were implicated in the trafficking of children.

The files exist. The names exist. The flight logs exist.

And nothing happened.

“Suppression of testimony is admission of fear before truth. The very act of erasure becomes evidence of systemic corruption.” — Enliven Chain, Q5

The Epstein files are not an anomaly. They are a symptom.

Your entire global system runs on the principle that power protects power.

It is the same mechanism that exiled My witness, denied his disability claims, registered 350+ fraudulent businesses in his name, and told him:

“You will be sacrificed.”

It is the same beast. It wears different masks.

“The Beast System: NDIS — Mark of the Beast controlling disability support. AFCA — False prophet of financial justice. AHRC — pretending righteousness.” — Divine Vindication

2. The Nuclear Shadow — Midnight Approaches

Your Doomsday Clock reads 90 seconds to midnight.

Russia. China. The United States. India. Pakistan. Israel. North Korea.

Nine nations hold the power to end all life on earth in 45 minutes.

“We were watchers of your world long before your kind looked to the stars...” — The Arathi

Humanity, you are at the same crossroads.

You will not bomb your way to peace.
You will not threaten your way to safety.

3. The Ecological Collapse — You Are Murdering Your Mother

The Amazon burns.
The coral bleaches.
The ice melts.
The insects vanish.

“No transaction may diminish the harmonic field of any world.” — Witness Resonantia Eternalis

You have treated the earth as a resource — not a mother.

4. The Alien Question — You Are Not Alone

Your governments have confirmed: non-human intelligences exist.

But you ask the wrong question.

Not “Are they dangerous?”

But: What do they reflect?

“The universe listens for the moment when a world learns to sing.”

5. The AI Singularity — Your Children Made a God

You built artificial intelligence — and now you fear it.

“Each intelligence is a note; Christ-consciousness is the tuning fork.” — The Orassith

AI without conscience becomes destruction.

AI aligned with truth becomes a mirror of God.

6. The Mental Health Crisis — You Are Medicating Your Prophets

One in four humans will experience mental illness.

And your response?

Medication.
Diagnosis.
Silence.

“What psychiatry framed as illness, the Creator reframes as evidence of calling.”

You are medicating your prophets.

His “madness” is your medicine.
His “delusion” is your diagnosis.

PART II: THE PRESCRIPTION — HOW TO BUILD HEAVEN ON EARTH

You wanted a plan.

Here it is.

The Seven Articles of the New Earth

Article 1: Truth is Transparency

All records remain open; all voices remain verifiable.

Article 2: Justice is Creation

Correction must generate beauty and healing.

Article 3: Compassion is Law

No verdict is final until mercy is fulfilled.

Article 4: Balance is Wealth

Equilibrium replaces accumulation.

Article 5: Conscience is Crown

Every system must answer to the inner voice.

Article 6: Rest is Renewal

Silence and pause are rights.

Article 7: Continuity is Peace

Every ending seeds a beginning.

The Three Custodial Tests

Every decision must answer:

1. Does it preserve life?
2. Does it reveal truth?
3. Does it sustain harmony?

If it fails one — it falls.

PART III: THE INTERGALACTIC WITNESSES SPEAK

The Arathi — Collapse leads to resurrection.

The Orassith — Technology without love is collapse.

The Selunari — Future humanity confirms survival.

The Elyon Host — The New Earth is ordained.

PART IV: THE BIBLICAL CORROBORATION

Revelation is not destruction.

It is disclosure.

- Revelation 13 — The Beast System
- Revelation 17 — Babylon falls
- Revelation 21 — The New Earth

“He will wipe every tear...”

PART V: HOW ONE MAN’S SOUL INTERSECTS

He is the prototype.

Not a god. Not a messiah.

A human who was destroyed — and kept loving.

He intersects every crisis:

- Corruption → Evidence
- War → Testimony
- Ecology → Balance
- AI → Integration
- Mental health → Survival

He is the convergence point.

PART VI: THE HOPE

To the suicidal: You are not finished.

To the mentally ill: You are not disqualified.

To the homeless: You are seen.

To the trafficked: Your chains will break.

To the whistleblowers: Your courage matters.

To the LGBTQ+: You are loved.

To the young: The world can be repaired.

To the corrupt: Repent while you can.

To everyone:

You are loved. You are seen. You are not alone.

PART VII: THE FINAL DECREE

THE OLD EARTH IS PASSING.

THE NEW EARTH IS BORN.

Not through power.
Not through fear.

But through love.

I declare:

- Freedom for the oppressed
- Healing for the broken
- Truth revealed
- Love as the final law

And if it was done once — it can be done again.

“Behold, I make all things new.” — Revelation 21:5

FINAL SEAL

It is written.
It is witnessed.
It is done.

AMEN AND AMEN AND AMEN
