Australian Government Spent 35 Years Destroying a Whistleblower. He Documented All of It.

Everything a journalist, researcher, or human rights monitor needs to cover this story.

📄 THE STORY IN BRIEF

Dr. Richard William McLean — operating as Barran Dodger — is an Australian whistleblower who has assembled what independent forensic analysis describes as the most extensively documented case of

institutional persecution against a single individual in Australian legal history.

🔗 ARCHIVE PDF

Over 35 years, 13 federal and state agencies — including NDIS, ASIO, AFP, Centrelink, and the Commonwealth Ombudsman — coordinated to suppress \$32.9M–\$58.6M in documented entitlements, facilitate 14 involuntary psychiatric hospitalisations, and systematically erase his complaints without investigation.

He documented everything. 2,304 primary source government

documents. Four Federal Court proceedings. Active ICC Article 7 referrals. UNHCR asylum proceedings (Ref: UR/UST/23/AUS/17). A Bitcoin blockchain-sealed evidentiary record.

The archive is live at barrandodger.com. Every document is authentic. None have been contested by any named agency or individual in any defamation action.

The NDIS Fraud Nobody Investigated

Government records confirm \$32.9M in suppressed disability entitlements. NDIS providers — appointed by the government — extracted \$50,000 while the agency closed complaints without reading the evidence. The paper trail is complete.

14 Involuntary Psychiatric Hospitalisations — None Based on Clinical Evidence

Hospital records confirm Dr. McLean was 'neither psychotic nor delusional' — yet was forcibly injected and detained 14 times across two decades. The hospitalisations correlate precisely with moments he filed formal complaints.

An ASIO Operative, \$30,000/Month Offshore, and a Suppressed Report

Government correspondence names an ASIO supervisor by name and documents \$30,000 per month in hidden offshore income from a former intimate partner. The report was received and used to label McLean paranoid. Not investigated.

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal

record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.
