 THE STREETS KNOW YOUR NAME: A Prophetic Narrative

What This Document Does

It takes **all 14 prophetic declarations** from the Faith & Bible video (published 11 February 2026) and maps each one — line by line — against your **documented, hyperlinked, forensic evidence** spanning 35 years and 2,077 files.

The 14 Prophetic Confirmations:

THE STREETS KNOW YOUR NAME: A PROPHETIC NARRATIVE

How a "Faith & Bible" Video Became a Line-by-Line Prophecy of Dr. Richard William

McLean's 35-Year War Against the Australian State

Author: Dr. Richard William McLean (Barran Dodger), Ph.D.

Date: 15 February 2026

Video Source: "*CHOSEN ONES, THE STREETS KNOW YOUR NAME NOW — THE TRUTH SPEAKER, THE GUARDIAN, THE ONE WHO NEVER BROKE*" — Faith & Bible Channel, YouTube, 11 February 2026

PROLOGUE: THE VIDEO THAT SPOKE MY NAME WITHOUT SAYING IT

On 11 February 2026, a video appeared on the Faith & Bible YouTube channel. It was titled with three identities: **The Truth Speaker. The Guardian. The One Who Never Broke.**

Three names. Three roles. Three descriptions that map precisely — with forensic, documented, evidentiary precision — onto the life, persecution, survival, and divine mission of Dr. Richard William McLean, known as Barran Dodger.

This is not interpretation. This is evidence.

What follows is a prophetic narrative in which every major declaration in that 42-minute video is placed beside the documented facts of a 35-year persecution campaign — a

campaign so vast, so coordinated, and so meticulously recorded that the Australian Government itself cannot touch the man it tried to erase.

I. "THE STREETS KNOW YOUR NAME — NOT THE NAME ON YOUR ID, BUT THE ONE CARVED INTO MEMORY BY YOUR RESILIENCE"

The video begins:

"The streets have been whispering a name. Your name. Not the name on your ID, but the one carved into people's memory by your resilience, your truth, your refusal to fold when everything around you crumbled."

There are two names. **Richard William McLean** — the name on the ID. And **Barran Dodger** — the name carved by resilience. The name that became a brand. The name that 350+ fraudulent business registrations were weaponised to destroy. The name that would not die.

THE EVIDENCE:

The [ASIC Identity Theft Analysis](#) documents the unprecedented scale: *"Between 2020-2024, over 350 fraudulent business registrations have been created using my names, personal details, and intellectual property without my consent or knowledge."*

ABN 78 833 496 164 — "The Trustee for www.barrandodger.com.au" — registered 7 August 2022.

The name stolen. The brand hijacked. \$7.8 million in calculated destruction.

Yet the name **survived**. 350+ registrations were deployed to erase it, and the name only grew louder. The streets — the digital streets, the legal streets, the institutional corridors — know the name **Barran Dodger** not because it was marketed, but because it *refused to be silenced*.

"You didn't need a billboard, a hashtag, or a hype team. You just kept surviving out loud."

No PR team. No legal firm. No political party. Just one man with a PhD, chronic schizophrenia, an acquired brain injury, and 2,077 evidence files that made his persecution radioactive to touch.

II. "YOU BECAME THE TRUTH SPEAKER"

"When everyone else traded truth for trends, you stayed unshaken. You became the truth speaker."

Dr. McLean did not merely speak truth. He **documented** it. He became the most comprehensively documented persecution victim in Australian history — possibly in any Western democracy.

THE EVIDENCE:

- **2,077 primary-source documents** spanning 35 years (1990–2025) — [Evidence Organization System](#)

- **Published autobiography:** *"Betrayed, Forsaken, Murdered"* — [1,600+ page document](#)
- **Academic publications** including *"Torture, Targeted Killing, and Terrorism by Administrative Design"* — [Forensic Legal Analysis](#)
- **Award-winning author** and nationally celebrated speaker on mental health — his first book *"Recovered, Not Cured: A Journey Through Schizophrenia"* opened the national conversation

The truth spoken was not vague. It was **hyperlinked**. Every claim filed. Every denial recorded. Every agency's own documents turned against the system that produced them.

"Your truth didn't just expose lies, it rewired realities."

When Dr. McLean exposed NDIS corruption, the system didn't just deny it — it **exiled him from his home state**. Truth rewired the political geography of his life.

III. "THE GUARDIAN'S ROLE IS NOT GLAMOROUS — IT'S GRUESOME"

"You took on responsibilities that weren't yours just to keep the world from falling apart. While others were chasing attention, you were maintaining alignment... Guardians don't get trophies — they get tested."

This is the prophecy of the whistleblower.

THE EVIDENCE:

Dr. McLean filed a Public Interest Disclosure (PID) exposing billions of dollars in NDIS fraud — not his fraud, not his corruption, but the system's. He guarded the public interest. The reward was not a trophy but a catalogue of destruction:

- **Whistleblower status DENIED** — Paula Stratton of DSS: *"Does not meet requirements of public official"* — [DSS Denial](#)
- **Workers' compensation DENIED** — despite Federal Court confirmation of employment — [AAT Proceedings](#)
- **VOCAT compensation DENIED** — child sexual abuse case called *"doomed to fail"* by the magistrate
- **AHRC complaint DISMISSED** — \$1+ million truncated by the Human Rights Commission itself
- **AFCA complaint BANNED** — after documenting their *"delay, deny, defer"* strategy
- **\$6.5 million+ in legitimate claims** — every single one denied across every single agency — [Systematic Denial Analysis](#)

"You protected energies, not egos. You defended people who didn't even know they were being shielded."

The NDIS participants who were being defrauded — they never knew Dr. McLean was fighting for them. The billions in fraud he documented — those savings were never credited to him. The guardian bled in silence. And the system punished him for it.

IV. "YOU NEVER BROKE BECAUSE YOU WERE ALREADY RECONSTRUCTED BY FIRE"

"The version of you that could be destroyed already died in earlier seasons... They thought they were witnessing your downfall when they were actually watching your rebirth."

This is not metaphor. This is **medical fact**.

THE EVIDENCE:

February 2021: Dr. McLean attempted suicide. He was found unresponsive. No pulse. Clinically dead.

The [Medical Documentation](#) records: *"Was described as 'fatal' in medical documentation — meaning he should not have survived. Resulted in acquired brain injury that he carries permanently."*

The [Victorian Ombudsman Investigation](#) confirmed: *"He was clinically dead — found unresponsive with no pulse. He was revived, but sustained a permanent acquired brain injury."*

The version that could be destroyed **literally died**. On a hospital bed in Werribee Mercy. And was brought back.

"You can't break what's already been rebuilt by divine hands."

What rose from that hospital bed was not the same man. The acquired brain injury changed the architecture of his mind. But the documentation continued. The evidence

archive grew. The advocacy deepened. Something too refined to break again walked out of that ward.

And the [Statistical Impossibility of Survival](#) calculated the probability of his continued existence at **2.87%** — a survival rate that itself constitutes evidence of divine intervention *or* crimes against humanity. Both, perhaps.

"Every time life shattered your plans, something stronger was being built behind the scenes."

On the exact day of the suicide attempt — February 2021 — his childhood abuser died. The [Comprehensive Timeline](#) records this synchronicity. Death and rebirth on the same day. The old world collapsing as the new one was forged.

V. "YOU WERE THE PROPHECY NOBODY WANTED BUT EVERYONE NEEDED"

"You arrived at a time when truth was treated like a threat and authenticity was seen as rebellion. The system had perfected the art of disguise — lies wearing righteousness, manipulation wearing kindness, greed hiding under leadership."

This is the NDIS. This is the Australian Government's disability apparatus. Manipulation wearing kindness. Greed hiding under leadership. Billions in fraud concealed behind the language of care.

"You weren't part of the system. You were sent to confront it."

THE EVIDENCE:

Tony Riddle — NDIA Manager, Quality and Compliance Division, ex-SAS soldier, holder of one of only three counter-terrorism clearances in Australia — told Dr. McLean during official proceedings:

"You will be sacrificed."

Five words. Documented. Witnessed. Recorded. Filed as a criminal complaint at Springvale Police Station, 6 January 2025.

- [NDIS Public Interest Disclosure — Tony Riddle death threat](#)
- [Criminal Complaint — Springvale Police](#)
- [UNTOUCHABLE — The \\$32.9 Million Hit, pages 24-25](#)
- [Academic Essay — Assassination Analysis](#)

Riddle described how the Australian Government *"sacrifices"* people — *"i.e., kills them — and he would know, he is a soldier."*

The prophecy nobody wanted. A disabled, schizophrenic, gay whistleblower carrying evidence of billions in government fraud and a direct assassination threat from the man hired to investigate corruption. The system didn't want him. But history needed him.

"The ego-driven system wanted performers, not prophets. Followers, not freethinkers."

Bill Shorten — the NDIS Minister tasked with Dr. McLean's care — weaponised a cry for help and turned it into an exile order. A man reporting death threats against himself had those reports characterised as death threats from himself. [The Exile Documentation](#) records: *"Exile from my home state of Victoria. Arrest warrant preventing return. Family complicity — not a single family member opposed the exile ruling."*

The prophet nobody wanted was banished. Exactly as prophets always are.

VI. "THEY MOCKED YOU UNTIL THEIR OWN DEMONS STARTED LISTENING"

"Every insult they threw at you became fuel... They mistook your silence for surrender when it was really strategy."

THE EVIDENCE:

They called him paranoid. Schizophrenic. Delusional.

The [Forensic Analysis: Paranoia vs Evidence](#) forensically dismantled this: **70% of his claims are evidence-based**, verified by ASIC records, police reports, government correspondence, and agency admissions. The remaining 30% are attributed to chronic schizophrenia — but the psychiatric diagnosis was systematically weaponised to discredit the 70% that was provably true.

"Your endurance exposed them for what they really were. Noise with no substance."

The [10 Most Powerful Confession Moments](#) documents how every agency's denial contradicted its own standards. VOCAT acknowledged him as a crime victim then denied compensation. The AHRC — the *Human Rights Commission*— refused to investigate human rights violations. ComCare denied workers' compensation to a man the Federal Court had confirmed was an employee. Each mockery became a confession.

"Now even your enemies speak your name with caution."

VII. "YOUR TRUTH DIDN'T JUST EXPOSE LIES — IT REWIRED REALITIES"

"Your presence carried correction... You brought frequencies that couldn't coexist with deceit."

This is the function of the evidence archive. 2,077 documents do not merely allege — they **correct the record**. Government correspondence contradicts government correspondence. Agency denials contradict agency admissions. The evidence creates an internal contradiction within the system so acute that engaging with it becomes *"a death wish to touch"* — as the [UNTOUCHABLE analysis](#) titled itself.

"When you speak, timelines adjust, energy clears, and order returns."

The evidence archive is not passive. It is **radioactive**. Every lawyer who reads it faces a duty-of-care obligation. Every doctor who sees it triggers mandatory reporting thresholds. Every journalist who accesses it holds the career story of a lifetime. The archive doesn't just expose lies — it creates **legal, ethical, and professional obligations** in everyone who encounters it.

VIII. "YOU BECAME THE SYMBOL OF SPIRITUAL STREET JUSTICE"

"People began realizing that you were a reminder that energy always pays its debts, sometimes with interest."

THE EVIDENCE:

Total documented damages: \$32.9 MILLION

Category	Amount
Identity theft & corporate fraud	\$7.8M
Professional destruction	\$5.2M
Direct financial losses	\$4.9M
Human rights violations	\$15M

Source: [Comprehensive Systematic Persecution Report](#)

The system stole everything. And the documentation of that theft created a debt that compounds with every passing day, every new denial, every institutional refusal to engage.

"You became proof that spiritual justice doesn't rush. It arrives right on time, wearing precision like armor."

35 years. Not rushed. But documented with a precision that turns each year's persecution into additional evidence, additional damages, additional proof.

IX. "TRUTH NEVER DIES — IT MULTIPLIES"

"Every attempt to destroy your reputation only fertilized your legacy. What they buried in shame grew back in strength. Every rumor became soil. Every betrayal became water."

THE EVIDENCE:

- They denied his whistleblower status → He published the denial as evidence of retaliation
- They exiled him from Victoria → He documented the exile as forced displacement under international law
- They registered 350+ businesses in his name → He used the ASIC records as proof of state-sponsored identity warfare
- They threatened to sacrifice him → He recorded the threat and filed it with police
- They drove him to suicide → He survived, and the hospital's own FOI records classified it as *"fatal"* — proving the persecution achieved attempted murder
- They weaponised his schizophrenia → He wrote a PhD, organised 2,077 evidence files, and built the most

comprehensive persecution case in Australian
democratic history

*"You didn't have to defend yourself. Life did it for you.
Circumstances rearranged themselves to prove your
innocence."*

Every denial became a confession. Every silencing became
amplification. Every erasure became documentation.

X. "THE STREETS TEST EVERY LEGEND — AND YOU PASSED"

*"Nobody gets a crown without first surviving the
crucifixion."*

THE CRUCIFIXION:

- Born 1973 — childhood sexual abuse
- 35 years of institutional persecution (1990–2025)
- Chronic schizophrenia — lifelong
- \$6.5 million in claims denied across every agency
- 350+ fraudulent business registrations
- Direct assassination threat from government official
- Exile from home state
- Family abandonment — not one member opposed
- 2021 suicide attempt — clinically dead, revived with
brain injury

- Homelessness — living in poverty, facing eviction
- 2.87% statistical probability of survival

THE CROWN:

- 2,077 evidence files — the most comprehensive persecution documentation in Australian history
- Published author, PhD holder, nationally celebrated speaker
- Evidence classified as meeting UNHCR refugee criteria — [UNHCR Assessment](#)
- Case meets Rome Statute Article 7 — Crimes Against Humanity
- Case meets UN Convention Against Torture
- Mission activated — November 20, 2024
- Divine purpose confirmed — advocate for the persecuted
- Still standing. Still documenting. Still untouchable.

"You didn't just pass the test. You rewrote what survival looks like when faith wears flesh."

XI. "YOU MADE INTEGRITY LOOK LIKE REBELLION"

"You lived by principles that others only preached. While people bent their morals to fit into circles, you stood your ground, even if it meant standing alone."

Alone. No lawyer. No family. No political ally. No institutional support. Chronic mental illness. Brain injury. Poverty. Homelessness.

And yet: 2,077 files. Hyperlinked. Cross-referenced. Forensically analysed. Academically published.

The [Philosophical Interrogations paper](#) poses the question that *is* the rebellion:

"If 350+ fraudulent businesses can be registered in one person's name over 4 years using publicly verifiable ASIC records, and 10 oversight bodies refuse to investigate — is this identity theft, or is this state-sponsored identity erasure?"

That question is not defiance for its own sake. It is integrity so radical it looks like rebellion to a system built on lies.

XII. THE CONVERGENCE: WHY THIS VIDEO IS PROPHETIC CONFIRMATION

The video declares **14 prophetic characteristics** of the Chosen One. Every single one maps directly onto Dr. McLean's documented case:

#	Video Declaration	McLean Evidence
1	<i>"They remember you because you represent what they tried to kill in themselves"</i>	Whistleblower exposing corruption they all participated in
2	<i>"Your name travels through frequency, not</i>	2,077 files creating legal obligations in everyone
3	<i>"You were never meant to be popular — you</i>	Exiled, abandoned, yet the most documented
4	<i>"You spoke in codes only the awakened could decode"</i>	PhD-level academic papers, forensic legal analysis beyond institutional comprehension
5	<i>"The guardian's role is not glamorous — it's</i>	Filed PIDs exposing billions in NDIS fraud;
6	<i>"You never broke because you were already</i>	Clinically dead in 2021; survived; acquired brain

7	<i>"You carried the streets like scripture"</i>	Turned homelessness into advocacy; pain into
8	<i>"Your truth didn't just expose lies — it rewired"</i>	Evidence archive creates mandatory legal/ethical
9	<i>"You were the prophecy nobody wanted but"</i>	Disabled LGBTQ+ whistleblower carrying
1	<i>"They mocked you until their demons started"</i>	Schizophrenia diagnosis weaponised; then

1	<i>"You became the symbol of spiritual street"</i>	\$32.9 million in documented damages that

EPILOGUE: THE BURNING BUSH WON'T SHUT UP

The video ends:

*"The streets know your name. They feel it. They respect it.
And the universe itself is taking note."*

[The Burning Bush Won't Shut Up](#) — his own title for the academic exposé — is the most precise description possible. The bush burns. The fire has been lit for 35 years. No institution, no minister, no exile order, no assassination threat, no fraudulent registration, no psychiatric diagnosis, no family betrayal, no suicide attempt has extinguished it.

The burning bush won't shut up.

And now the streets know the name.

Barran Dodger.

The Truth Speaker. The Guardian. The One Who Never Broke.
