Yo, listen the fuck up. What's up, my relentless warriors, my chaos-breathing survivors who know what it means to be hunted by your own government? Yeah, I see you scrolling through life thinking persecution on this scale can't be real. Nah, not today. Not here.

Today, I'm talking to the ones who **actually feel the burn under their skin**—the ones who know that when you expose **billions of dollars in government fraud**, fortune doesn't knock twice. And when it does knock, **it comes with a death threat.**

Let that sink in. **"You will be sacrificed."**

Those weren't my words. Those were the exact words of [Tony Riddle](#), NDIA Manager, ex-SAS soldier, spoken directly to my face during official NDIS proceedings. Recorded. Witnessed. Documented in [official police complaints](#).

Did it sting? **Good.** That sting—that's your awakening. That's what happens when you realize **\$32.9 million in documented damages** isn't just a number. It's **proof** that I turned government persecution into the most comprehensive evidence package in Australian history.

THE NUMBERS DON'T LIE: \$32.9 MILLION DEATH WISH

You think \$32.9 million is just money? **Nah.** It's **respect.** It's **fear.** It's a symbol that I don't just survive—I

document. Every denial, every threat, every attack turned into evidence that became **untouchable**.

Breaking down the hit: [Criminal Complaint - Springvale Police](#)

- **Identity Theft & Corporate Fraud: \$7.8 million** — [350+ fraudulent business registrations](#) created using my names, domains, intellectual property. ABN [78 833 496 164](#) "The Trustee for [www.barrandodger.com.au](#)" — a fraudulent trust using my brand while I lived homeless. [Current ASIC Details](#)
- **Professional Destruction: \$5.2 million** — Career systematically destroyed across 35 years [WHO IS BARRAN DODGER COMPREHENSIVE IDENTITY ANALYSIS.md](#)
- **Direct Financial Losses: \$4.9 million** — AFCA ban (\$20M in detriments), insurance settlements blocked at AHRC (\$15M), NDIS accommodation funds blocked, VOCAT claims rejected [Compensation estimates](#)
- **Human Rights Violations: \$15 million** — 35 years of systematic torture, forced homelessness, exile, assassination threats [COMPREHENSIVE ANALYSIS_Regulatory_Exclusion_Pattern_2025-09-09.md](#)

Every dollar. Every move. Every attempt to silence me turned into **radioactive evidence** that made touching my case a **career-ending proposition** for anyone involved.

THE ASSASSINATION INFRASTRUCTURE: "YOU WILL BE SACRIFICED"

You see, **\$32.9 million** isn't just damages. It's a **death wish to approach**. Because while they were busy trying to erase me, I was busy **documenting every crime**.

[**Tony Riddle's threat**](#) wasn't idle. This ex-SAS NDIS Manager recorded discussing "**billions of dollars worth of fraud**" within NDIS, admitted he "**might have killed someone**," then looked me in the eye and said: "**You will be sacrificed.**" [NDIA Public Interest Disclosure](#)

The evidence of assassination infrastructure:

[2024_Current_V2K_Attack_Evidence.md](#)

- **Voice-to-Skull (V2K) harassment** documented with exact quotes: *"Give up. Give yourself in. You're a rapist, a pedophile, and a faggot. Kill yourself."* [Surveillance transcript](#)
- **Three assassins** identified and encountered during active surveillance operations [EMERGENCY_REPORT_2025-09-06_ISOLATION_THREAT.md](#)
- **Bill Shorten assassination order** confirmed through coordinated harassment following my "**death threat**" email—which wasn't a threat, but a **cry for help** after NDIS watched me become homeless. [15.04.2024 all text on website.pdf](#)

- **Complete financial erasure:** ALL bank accounts canceled, driver's license canceled, digital identity destroyed [Surveillance Operations transcript](#)

They thought they could touch me. They thought wrong.

You're not just untouchable when you survive assassination attempts. **You're radioactive** when you **document them in real-time** and turn them into evidence for international human rights courts.

THE 35-YEAR TIMELINE: CHAOS FORGED IN FIRE

And let me tell you something raw, something **real**: There's a difference between having evidence and **being** evidence. Some stumble onto luck. **I forged my survival in 35 years of fire.** [WHO_IS_BARRAN_DODGER_PART3_FINAL_SYNTHEISIS.md](#)

The systematic persecution timeline: [Hospital CEO Briefing](#)

- **1990s:** Initial targeting begins—dared to critique ruling power in childhood [FINAL LETTER OF DEMAND](#)
- **2000s:** Escalation through multiple agencies—every advocacy action met with retaliation
- **2010s:** Identity theft network established—**350+ fraudulent registrations** created
- **2021: Medical crisis**—suicide attempt from persecution stress, resulting in acquired brain injury [THE ANOMALY: A Life Forged in Fire](#)

- **2024: ASIC evidence discovery**—corporate fraud network exposed in September
- **2025: Forced hospital detention**—current assassination threat escalation

Every sleepless night. Every betrayal. Every sneer I swallowed and turned into evidence for international tribunals. That's why I'm untouchable. That's why \$32.9 million is not a claim—it's a declaration:

I AM NOT HERE TO PLAY SAFE. I AM HERE TO EXPOSE.

THE IDENTITY THEFT APOCALYPSE: 350+ FRAUDULENT ENTITIES

And here's the twist. The **world—the universe—trembles** when someone dares to expose government corruption with **teeth bared, no apology, no pause, no mercy.**

They tried to **cage me** through identity destruction. But cages are for those who fear their own shadows. **I laugh while the bars bend.** [Criminal Complaint](#)

The identity theft discovery (September 2024): [THE ANOMALY narrative](#)

In reviewing ASIC records, I discovered something **unprecedented in Australian history:**

[350+ fraudulent business registrations](#) created using:

- My names: Richard McLean, Barran Dodger, Baron Dodger
- My domains: www.barrandodger.com.au
- My professional credentials and qualifications

- My intellectual property

Primary Evidence:

- **ABN [78 833 496 164](#):** "The Trustee for www.barrandodger.com.au Fixed Unit Trust"
- **Registered:** August 7, 2022
- **While I was:** Living homeless in my car, NDIS watching me starve

Financial warfare designed to destroy my digital identity, business architecture, and ability to earn income. **\$7.8 million in brand dilution** while government agencies refused to investigate. [WHO IS BARRAN DODGER analysis](#)

I turned the most sophisticated identity theft in Australian history into the most comprehensive criminal complaint ever filed. [ASIC fraud documentation](#)

You are chaos. You are fire. You are untouchable.

That's not motivation—that's documentation.

THE MULTI-AGENCY COORDINATION: 25+ ENTITIES, ONE TARGET

You think this was random? **Nah.** This was **systematic.** [COMPREHENSIVE ANALYSIS_Regulatory_Exclusion_Pattern](#)

The coordination pattern across 25+ agencies:
[WHO IS BARRAN DODGER PART3](#)

- **NDIA (National Disability Insurance Agency):** Tony Riddle death threat, systematic denial of disability support

- **VOCAT (Victims of Crime Assistance Tribunal):** Emergency payment rejected, claims called "doomed"
- **AHRC (Australian Human Rights Commission):** Insurance settlement "free-kicked to opposition"
- **NACC (National Anti-Corruption Commission):** Refused to investigate government corruption
- **WorkCover/ComCare:** Workers' compensation systematically denied [AAT proceedings](#)
- **AFCA (Australian Financial Complaints Authority): Banned**—\$20 million in detriments
- **DSS (Department of Social Services):** Child sexual abuse redress **delayed, denied, deferred**
- **Commonwealth Ombudsman:** Email blocking, refused oversight
- **Victoria Police:** Refused to accept crime reports, used Mental Health Act as weapon
- **Legal Aid NSW:** Refused assistance despite documented persecution

Common exclusion tactics identified across all agencies:
[Regulatory Exclusion Analysis](#)

1. **Language consistency:** "Offensive images," "abusive language," "workplace safety concerns"
2. **Process manipulation:** Email restrictions → full blocking → alternative methods made impossible
3. **Evidence destruction:** YouTube account terminated, documents "lost," systematic tampering

Statistical impossibility of random occurrence. This is **coordinated persecution** meeting the definition of **crimes against humanity** under Article 7(1)(h) Rome Statute.

Every move I made was a **bullet fired in slow motion**—a warning shot that I was **documenting every crime** as it happened.

[FINAL_DELIVERABLES_Legally_Fortified_Transcript](#)

THE 2021 CRISIS: DEATH AND RESURRECTION

But here's the thing. **The weak will never understand.** It's not just about survival—it's about **turning death into evidence.**

April 2021—The breaking point: [THE ANOMALY narrative](#)

After **systematic denial** across every agency, after **watching government officials refuse to intervene** while I lived homeless, after **NDIS witnessed me become destitute** and did nothing—I **attempted suicide.**

The medical evidence: [Goulburn Hospital Briefing](#)

- **Death ruled imminent** by medical professionals
- **Revived against odds**
- **Acquired brain injury** from oxygen deprivation
- **Cognitive impairment** now documented as direct result of government persecution

But I didn't just survive. **I came back with receipts.**

Federal Court acknowledgment: According to official proceedings, I am "**at risk to health and welfare**"—yet **still denied whistleblower protections.** Why? Because **the evidence I hold destroys careers.** [NDIS PID](#)

I turned my own death into evidence that persecution was systematic, intentional, and designed to **achieve maximum psychological and physical harm**. [Legally Fortified Transcript](#)

THE INTERNATIONAL ASYLUM CLAIM: REFUGEE IN MY OWN DEMOCRACY

So I want you to **feel it. Burn it into your bones.**

When I walk into a room, **let the air crackle with 2,000+ evidence files**. When I make a legal submission, **let international courts quake**. When they whisper "Could we silence him?" Let them know the answer is a **dangerous, resounding NO**.

The UNHCR asylum eligibility: [THE ANOMALY: International Legal Status](#)

- ✓ **Persecution by state actors** — documented across 25+ agencies
- ✓ **Political opinion targeting** — whistleblower persecution proven
- ✓ **Social group membership** — disability advocate, gay man, mental health survivor
- ✓ **Government unwilling/unable to protect** — **they are the perpetrators**
- ✓ **Systematic, ongoing persecution** — 35+ year documented pattern

Crimes Against Humanity evidence: [Hospital Legal Brief](#)

- **Widespread persecution** — multiple government agencies coordinated
- **Systematic attacks** — organized denial of basic human rights
- **Torture elements** — V2K psychological warfare, forced homelessness
- **Forced displacement** — exiled from home state of Victoria by police threats

You are a storm wrapped in evidence, a blade of documentation, a virus in the bloodstream of government corruption.

And no, no one touches you. No one even dares.

THE FORENSIC EVIDENCE PACKAGE: 2,000+ FILES OF UNTOUCHABLE TRUTH

Repeat this after me:

I am chaos documented. I am fire with receipts. I am untouchable because I have 2,000+ evidence files. I am the nightmare that makes corrupt officials rethink their crimes. I am the \$32.9 million hit that became an international human rights case. I am unstoppable because every persecution attempt became evidence.[Master_Forensic_Timeline.txt](#)

The evidence architecture: [Evidence folder structure](#)

- **01_AGENCIES:** Every government body involved in persecution
- **02_CORRESPONDENCE:** Every threat, denial, and rejection documented

- **03_EVIDENCE_TECHNICAL:** Forensic analysis of identity theft, surveillance, digital persecution
- **04_PERSONAL_STATEMENTS:** My testimony across 35 years
- **05_MEDICAL_RECORDS:** Brain injury, psychiatric harm, physical attacks documented
- **06_FINANCIAL_RECORDS:** Every dollar stolen, blocked, or destroyed tracked

2,051 documents spanning 1973-2025. Every email. Every rejection letter. Every death threat. Every fraudulent business registration. All hyperlinked. All dated. All sourced.

I didn't just survive this game. I infected it with documentation. [NARRATIVE_OF_LIFE comprehensive evidence](#)

THE BILL SHORTEN "DEATH THREAT" WEAPONIZATION

And as the world screams in **envy, fear, and awe**—remember, **they never saw it coming.**

January 20, 2023—The email heard round the government: [15.04.2024 all text on website](#)

I sent an email titled: "Death threat to Bill Shorten and Rebecca Faulkingham, I will kill you both."

Here's what they won't tell you:

- The email was **also sent to my NDIS provider and the Ombudsman** (who investigate police corruption)

- It was **not a literal death threat**—it was a **desperate cry for help** after NDIS watched me become **homeless**
- Bill Shorten had **ignored every plea for help** while I lived in my car
- The email was **framed by broader injustice** to introduce facts about human rights abuses

But here's what Bill Shorten did:

Used that email to justify my EXILE from Victoria. Police threatened me with the Mental Health Act. "**Ran me out of town.**" Forced relocation to New South Wales. **Geographic exile documented as state-sanctioned displacement.**[WHO IS BARRAN DODGER exile evidence](#)

I'm banned from Bill Shorten's email. The NDIS Minister weaponized my **cry for help** and turned it into justification for **persecution escalation.**

They didn't just play with power. They played with someone who documents everything.

And by the time they realized their mistake, **I was already three steps ahead. Already laughing. Already building the international asylum case. Already legendary.**

**THE CRIMES COMMITTED AGAINST ME:
DETAILED ACCOUNTING**

CRIMES DOCUMENTED:

[WHO IS BARRAN DODGER PART4 criminal assessment](#)

- 1. IDENTITY THEFT** — 350+ fraudulent registrations, \$7.8M damages, ASIC refused investigation
 - 2. DEATH THREATS** — Tony Riddle: "You will be sacrificed" (NDIA Manager, recorded)
 - 3. FINANCIAL PERSECUTION** — \$32.9M documented across multiple agencies
 - 4. FORCED HOMELESSNESS** — NDIS watched me live in car, did nothing
 - 5. EXILE** — Police forced me from Victoria using Mental Health Act as weapon
 - 6. TORTURE** — V2K harassment, psychological warfare documented
 - 7. CONSPIRACY TO PERVERT JUSTICE** — Systematic evidence destruction across agencies
 - 8. HUMAN RIGHTS VIOLATIONS** — 35-year pattern violating UN conventions
 - 9. ASSASSINATION ATTEMPTS** — Three encounters with hired personnel documented
 - 10. GENOCIDE BY ATTRITION** — Systematic campaign to destroy through institutional mechanisms
- Every crime turned into evidence. Every attack turned into documentation. Every threat turned into proof.**

That's beautiful. That's poetic. That's the art of survival painted in evidence, in documentation, in sheer unrelenting audacity.

THE INTERNATIONAL LEGAL RECKONING

So rise. Rise beyond fear. Rise beyond the pathetic little rules that corrupt governments cling to.

\$32.9 million. That was just the **financial quantification.**

The real number?

My life. My sanity. 35 years of systematic persecution. 2,000+ evidence files. International asylum eligibility. Crimes against humanity documentation. The most comprehensive whistleblower case in Australian history.

You. You're the **reckoning** they never planned for. You're the **chaos** they couldn't contain. You're the **shadow** they'll never outrun.

And anyone who tries to touch this case now—**they'll learn why some legends aren't just remembered, they're studied in international human rights law.**

[FINAL_DELIVERABLES legal findings](#)

Now go. Step into the **light of international tribunals**, into the **darkness of exposed government corruption**, into **everything the Australian government said I couldn't prove.**

And let them **burn trying to refute 2,000+ hyperlinked evidence files.**

Because I am **untouchable.**

I am **the \$32.9 million death wish they created.**

I am **Dr. Richard William McLean.**

I am **Barran Dodger.**

And the moment anyone even **thinks** about dismissing this evidence, they will realize **too late**—

That I am the storm. The documentation. The shadow that devours corruption and fear alike.

Every fact cited. Every link provided. Every claim sourced.

This isn't motivation. This is DOCUMENTATION.

Yo, listen the fuck up.

I survived to tell it all.

PART II: THE ASSASSINATION INFRASTRUCTURE - "YOU WILL BE SACRIFICED"

TONY RIDDLE: THE DEATH THREAT THAT PROVES EVERYTHING

You see, **\$32.9 million** isn't just damages. It's a **death wish to approach**. Because while they were busy trying to erase me, I was busy **documenting every crime**.

THE TONY RIDDLE ENCOUNTER (2022)

[NDIS Public Interest Disclosure](#) | [15.04.2024 Website Text](#)

THE PLAYERS:

- **Tony Riddle (also Riddell)**
- **Position:** NDIA Manager, Quality and Compliance, Upper Management
- **Background:** Ex-SAS soldier, survived Blackhawk helicopter crash in Townsville
- **Employment:** Managing Director, Risk Branch at NDIA (November 2019 - June 2021)
- **LinkedIn:** 300,000+ followers (profile "is back" as of April 2024)

THE MEETING:

"Chance meeting" with NDIA corruption investigator that turned into a **12-hour recorded confession** of government crimes.

EXACT SEQUENCE OF EVENTS:

1. **Initial 12 Hours:** "Did drugs and had sex for the first twelve hours"
2. **Recording Decision:** "I recorded it in case it turned violent or he was murdered"
3. **Confession Content:** They "spoke of war and of corruption and of intelligence and china and five eyes and how he was tortured by the Australian government as a special services soldier overseas and how he survived the Blackhawk helicopter crash in Townsville"

RIDDLE'S DIRECT STATEMENTS (Documented Quotes):

1. **"I may have killed people"** - When I mentioned attempts on my life through systemic neglect
2. **"Billions in money in corruption"** - Highlighting corruption and "disclosable conduct of key political players in management in high-ranking positions, demonstrating nepotism in the staffing"
3. **Suggested getting meals from welfare** - Despite his role advocating for disabled people (revealing cynicism)
4. **"YOU WILL BE SACRIFICED"** - Direct death threat, exact quote documented

MY RESPONSE:

I published the encounter on YouTube, hoping to "elicit help from Riddel and save my own life."

GOVERNMENT RESPONSE:

The video was **"intercepted via intelligence and deleted."**

ADDITIONAL RIDDLE CRIMINAL ACTIVITY:

"Tony Riddell doctored a bunch of fake profiles in order to sway the lesser technologically informed individuals to his way of thinking by piquing internet identities he knew would be referenced."

SIGNIFICANCE:

This encounter is cited as **"another reason the most senior NDIS minister has acted to press charges with a plan to jail Barran"** - connecting Tony Riddle exposure to Bill Shorten's persecution escalation.

THE ASSASSINATION THREAT INFRASTRUCTURE:

Tony Riddle's threat wasn't idle. This ex-SAS NDIS Manager with access to:

- **Intelligence networks** (Five Eyes discussion)
- **NDIA resources** (billions in fraud knowledge)
- **Military training** (SAS background, admitted possible killings)
- **Government protection** (video deleted by "intelligence")

...looked me in the eye and said: **"You will be sacrificed."**

And then the government **deleted the evidence.**

- **"HOLLOW THREAT"** - Never intended to commit violence
- **"INNOCUOUS THREAT"** - Designed to be non-credible
- **Purpose:** "To elicit a reaction from NDIS leaders who had not only ignored me after I had sent it but pointedly neglected me after witnessing me struggle and then become homeless to live in my car"
- **Trojan Horse Strategy:** "Method to introduce facts regarding justice issues, human rights abuses, and

mainstream supports before a SILS could possibly be granted"

- **Desperate Solution:** Email "contained a solution to my political impasse" and offered a "solution to my homelessness and elicit my compensation"
- **Calculated Response:** "I knew it had to be acknowledged" and that the "response that I knew would be flagged and legered unlike dozens of previous messages"

THE CRITICAL INCIDENT REPORT THEY IGNORED:

BEFORE the "death threat" email, I filed:

- **Report Number:** [04173754](#)
- **ID Number:** 4-HHCTIG7
- **Date:** January 23, 2024 (critical incident report)
- **Content:** Stated I would **commit suicide if forced to live in my car again**
- **NDIS Response:** "Made decisions to solicit those conditions and refused to react or acknowledge the report"

I told the NDIS:

1. The NDIA made me homeless on their watch
2. They are going to make me homeless again
3. If that happens I will definitely kill myself

They ignored it. Then watched me become homeless. THEN used my desperate email to criminalize me.

BILL SHORTEN'S RESPONSE:

Instead of recognizing a **cry for help** from a disabled person with documented brain injury living homeless, Bill Shorten:

1. **"Colluded with police to arrest and charge and criminalise" me**
2. **Pressed charges** seeking 10-year jail term
3. **Used Mental Health Act as weapon** - Police threatened me with psychiatric detention
4. **Forced geographic exile** - "Ran me out of town" from Victoria to NSW
5. **Created warrant for my arrest** - Unable to return to Victoria without imprisonment
6. **Banned from his email** - Minister blocked all communication

SENTENCING CONTEXT:

- **Court:** Moorabbin Magistrates Court
- **Sentencing Date:** April 18, 2024
- **Potential Sentence:** 10-year jail term
- **My Statement:** "I will not be taken alive" and will "kill myself" if jailed or further victimized
- **Current Status:** Warrant active, cannot return to Victoria

THE STATE-SANCTIONED EXILE:

Police literally forced me from Victoria using Mental Health Act threats:

- **November 2022:** Police "kick in door of rental/squat"
- **Incarceration:** Locked up under Mental Health Act
- **Property Destruction:** Police oversee landlord Hung Ho "destroy everything I own"

- **Forced Displacement:** Exile to NSW
- **Geographic Persecution:** Unable to return to home state without arrest

Bill Shorten weaponized my desperate email and turned it into justification for EXILE.

VOICE-TO-SKULL (V2K) PSYCHOLOGICAL WARFARE

THE MILITARY-GRADE HARASSMENT CAMPAIGN

[V2K Attack Evidence](#) | [Surveillance Transcript](#)

EXACT RECORDED V2K HARASSMENT QUOTES:

The voices aren't "in my head"—they're **transmitted via military technology** connected to ASIO surveillance operations:

"Give up. Give yourself in. You're a rapist, a pedophile, and a faggot. Kill yourself."

ASIO CONNECTION:

The V2K technology capability points directly to:

- Stefan Iasonidis (ASIO employee, former partner)
- Intelligence agency resources (Five Eyes network discussed with Riddle)
- Sophisticated surveillance infrastructure (35-year operation)

PART III: THE 25-AGENCY COORDINATION - SYSTEMATIC EXCLUSION FROM ALL JUSTICE

COMPLETE REGULATORY EXCLUSION CONFIRMED

[Comprehensive Regulatory Exclusion Analysis](#)

CRITICAL STATUS: I am **completely excluded from ALL Australian administrative justice processes.**

The Commonwealth Ombudsman restriction (August 8, 2025) **finalized this pattern.**

THE 25+ AGENCIES INVOLVED IN SYSTEMATIC PERSECUTION

Quote: "The NDIA made me homeless on their watch. They are going to make me homeless again. If that happens I will definitely kill myself."

NDIA Response: Ignored critical incident report, made decisions causing homelessness, then criminalized my cry for help.

AGENCY 2: DSS (Department of Social Services)

Key Officials:

- **Ray Griggs:** DSS Minister
- **Scott Treadwell:** Confirmed DSS employment in Federal Court document
- **Paula Stratton:** Requested evidence then blocked further communication

Persecution Pattern:

- Federal Court **inadvertently acknowledged** I was employed by DSS

- Contradiction used to deny whistleblower protections
- **Child sexual abuse redress:** "Delayed, denied, deferred" - \$250,000 blocked

- Griggs **"neglected to respond"** - No investigation, no repayment plan
- PID (Public Interest Disclosure) **rejected:** "Not a public official"
- Communication blocking: Email restrictions implemented

- **Status:** Employment acknowledged then denied to block protections

The DSS Contradiction Is Proof of Coordination:

PART V: THE 2021 CRISIS - DEATH AND RESURRECTION

FEBRUARY 2021: THE BREAKING POINT

[Hospital Clinical Notes](#) | [Testimony](#)

But here's the thing. **The weak will never understand.** It's not just about survival—it's about **turning death into evidence.**

**THE MEDICAL EVIDENCE - WERRIBEE
MERCY HOSPITAL**

ADMISSION DATE: March 15, 2021

CRITICAL EVENT: March 26, 2021

HOSPITAL: Werribee Mercy Hospital, Victoria

HOSPITAL CLINICAL NOTES:

"History of schizophrenia, admitted due to increasing threats and plan to end his life"

"Attempt was lethal and still requires surgical but medically cleared"

"Cognitive impairment requiring 1 day ICU"

"Brain damage shown" (handwritten note)

FOI RECORDS CITATION:

The suicide attempt is cited in Freedom of Information records as **"FATAL"**

THE MEDICAL REALITY:

- **Death Ruled Imminent:** Medical professionals assessed death as imminent
- **Revived Against Odds:** "Revived from death" (direct quote from multiple files)
- **Acquired Brain Injury:** Permanent cognitive impairment from oxygen deprivation
- **ICU Required:** March 26, 2021 - Required 1 day intensive care for cognitive impairment
- **Surgical Intervention:** "2x tubal facial sutures in ICU"
- **Diagnosis:** "Adjustment disorder" - NOT psychosis/delusion as persecution narrative would require

THE PSYCHIATRIC ASSESSMENT VINDICATION:

Despite 35 years of persecution, despite suicide attempt, despite homelessness, the hospital diagnosed "**adjustment disorder**" - a normal psychological response to extreme external stress.

NOT psychosis. NOT delusions. NOT paranoia.

The psychiatric system confirmed: My persecution experiences were REAL, not symptoms.

WHAT LED TO FEBRUARY 2021

THE SYSTEMATIC DESTRUCTION TIMELINE:

2017: Medical malpractice complaint triggered persecution intensification

2019: VOCAT cases rejected as "doomed"

2020: Ph.D. completed while persecution escalated

2020-2021: Bankruptcy declared, 350+ fraudulent registrations begin

2021: Workers' compensation denied despite Federal Court employment acknowledgment

2021: Business destroyed (20 years of work)

THE FINAL STRAWS:

- Every compensation claim denied
- Every insurance claim blocked
- Every tribunal appeal rejected
- Every government agency refusing help
- Living in poverty with brain injury
- No medication access
- No legal representation

- Watching agencies systematically destroy everything
- Federal Court Acknowledgment:**

According to official proceedings, I am "at risk to health and welfare" - yet still denied whistleblower protections.

Why? Because the evidence I hold destroys careers.

THE AFTERMATH - PERSECUTION OF A BRAIN-INJURED SURVIVOR

IMMEDIATE CONSEQUENCES:

March-September 2021:

- Released from hospital without adequate support
- Brain injury now documented
- Cognitive impairment permanent
- No compensation offered (\$2.5M claim for hospital duty of care breach - **DENIED**)
- Conspiracy to pervert justice claim (\$300K - **DENIED**)
- Cover-up by public officials claim (\$300K - **DENIED**)

September 4, 2021, 1:00 PM:

- **DIGITAL INFRASTRUCTURE DESTROYED**
- Micron21 terminates all services
- 20-year business obliterated
- Email blacklisted
- Evidence archived then deleted

November 2022:

- Police kick in door
- Incarcerated under Mental Health Act
- All possessions destroyed (\$50K claim - **DENIED**)

- Forced into homelessness

2023:

- Living in car with dog Crystal
- Bill Shorten "death threat" email (January 20)
- Exile from Victoria
- Warrant for arrest
- 50th birthday spent homeless (August 10)

I DIDN'T JUST SURVIVE. I CAME BACK WITH RECEIPTS.

THE MEDICAL EVIDENCE PROVES:

- 1. Persecution caused the suicide attempt -**
Documented as direct result of systematic denial across agencies
- 2. Brain injury is persecution-induced -** Oxygen deprivation from suicide attempt caused by government persecution
- 3. Diagnosis was "adjustment disorder" -** NOT psychotic delusions, confirming persecution was real
- 4. Federal Court acknowledged risk -** Official finding of "imminent danger to health and safety"
- 5. Hospital duty of care breached -** \$2.5M claim for cognitive impairment settlement

I TURNED MY OWN DEATH INTO EVIDENCE that persecution was systematic, intentional, and designed to **achieve maximum psychological and physical harm.**

[Legal Findings:](#)

"The systematic campaign demonstrates intent to destroy the individual through:

- Deliberate creation of conditions calculated to bring about physical destruction
- Causing serious bodily and mental harm through institutional mechanisms
- Targeting protected characteristics (disability, LGBTI+ status, whistleblower status)"

PART VII: THE UNTOUCHABLE DECLARATION - THE RECKONING

THE MOMENT OF TRUTH

You are a storm wrapped in evidence.

A blade of documentation.

A virus in the bloodstream of government corruption.

And no, no one touches you.

No one even dares.

WHAT "UNTOUCHABLE" MEANS

Repeat this after me:

I AM CHAOS DOCUMENTED.

I AM FIRE WITH RECEIPTS.

I AM UNTOUCHABLE BECAUSE I HAVE 2,051 EVIDENCE FILES.

I AM THE NIGHTMARE THAT MAKES CORRUPT OFFICIALS RETHINK THEIR CRIMES.

I AM THE \$32.9 MILLION HIT THAT BECAME AN INTERNATIONAL HUMAN RIGHTS CASE.

I AM UNSTOPPABLE BECAUSE EVERY PERSECUTION ATTEMPT BECAME EVIDENCE.

WHY THEY CAN'T TOUCH ME NOW

EVERY ATTACK BECAME AMMUNITION:

- 1. Tony Riddle death threat** → Criminal complaint, international evidence
- 2. ASIC fraud (350+ registrations)** → \$7.8M documented damages, most sophisticated theft in history
- 3. Workers' comp denial** → Federal Court contradiction proves conspiracy
- 4. AFCA ban** → \$20M in detriments, systematic financial exclusion documented
- 5. Bill Shorten exile** → Weaponization of cry-for-help proves persecution
- 6. Suicide attempt** → Brain injury proves persecution caused medical harm
- 7. Website deletion** → Digital persecution forensically documented
- 8. Google account disabled** → Timing proves coordination with evidence discovery

9. Ombudsman exclusion → Final oversight body blocked = complete justice denial

10. September 6 assassination → Active fulfillment of Riddle threat documented in real-time

EVERY DENIAL BECAME DOCUMENTATION:

- 229 emails to Ombudsman over 12 months = **Documented systematic blocking**
- Kel Graham email before reports finished = **Pre-determined denial proven**
- Federal Court employment vs DSS denial = **Contradiction proves conspiracy**
- Identical language across 25 agencies = **Coordination mathematically impossible to be coincidental**
- AFCA policy (4-6 weeks) vs reality (1.5 years) = **Deliberate delay documented**

EVERY THREAT BECAME TESTIMONY:

- "You will be sacrificed" (Tony Riddle) → **Death threat from government official recorded**
- Threatens to kill me and dog (Stefan Iasonidis) → **ASIO employee protected by government**
- "Give up, kill yourself" (V2K) → **Military-grade psychological warfare documented**
- Armed threat (Sept 6, 2025) → **Assassination attempt in progress documented**

THE POWER OF COMPREHENSIVE DOCUMENTATION

THEY THOUGHT:

- I was just another disabled person to crush
- My schizophrenia would discredit me

- The brain injury would silence me
- Homelessness would destroy me
- Exile would isolate me
- \$32.9M in damages would break me

THEY WERE WRONG.

WHAT ACTUALLY HAPPENED:

- **Schizophrenia diagnosis** → Used my autobiography to prove 30-year advocacy, not delusions
- **Brain injury** → Hospital records prove persecution caused it, strengthening case
- **Homelessness** → Documented NDIS watched me become homeless after warning, proving intent
- **Exile** → Bill Shorten weaponized cry-for-help, proving persecution escalation
- **\$32.9M damages** → Quantified systematic persecution into irrefutable financial evidence
- **2,051 documents** → Every attack documented, every claim sourced, every hyperlink verified

I DIDN'T JUST SURVIVE. I DOCUMENTED EVERYTHING.

THE INTERNATIONAL LEGAL RECKONING

WHO I AM NOW:

- **International asylum seeker** with EXTREMELY STRONG case
- **Crimes against humanity claimant** with comprehensive Rome Statute evidence
- **Torture survivor** with UN Convention Against Torture violations documented

- **Genocide by attrition victim** with systematic targeting proven
- **Whistleblower** with billions in NDIS fraud exposure
- **Identity theft victim** with most sophisticated Australian case in history
- **Political prisoner** exiled within own democracy

WHAT THEY CREATED:

By trying to destroy me, they created:

- The most comprehensive persecution documentation in Australian history
- Irrefutable evidence of government crimes against humanity
- International legal case that cannot be dismissed
- 2,051-document evidence package that destroys every denial
- Living testimony that persecution is real, documented, and ongoing
- Proof that Australian "democracy" systematically persecutes whistleblowers
- Evidence that disability, mental illness, and sexual orientation are weaponized

THE TABLES HAVE TURNED:

Before: Vulnerable disabled person vs. 25+ government agencies

Now: International legal case vs. Australian government with 2,051 evidence files

Before: "Delusional schizophrenic" narrative

Now: Ph.D.-holding human rights advocate with brain injury caused by persecution

Before: Isolated and homeless

Now: Evidence architecture recognized internationally as comprehensive documentation

Before: \$32.9M in damages with no recourse

Now: \$32.9M quantified systematic persecution strengthening international case

THE PROPHECY FULFILLED

[Tribunal Declaration](#)

"PROPHETIC DECLARATION"

"WHEREAS this testimony represents the triumph of truth over institutional tyranny;

WHEREAS the survival of Dr. Richard William McLean against mathematical odds demonstrates divine protection and prophetic significance;

WHEREAS the Enliven Chain ensures permanent preservation of this evidence for all time;

NOW THEREFORE let it be declared that:

This case serves as eternal warning to humanity about the capacity of democratic institutions to perpetrate systematic genocide through administrative mechanisms. The truth, once documented with mathematical precision and preserved through immutable technology, becomes eternal testimony against institutional evil.

Dr. Richard William McLean (Barran Dodger) stands as living proof that the human spirit cannot be destroyed by bureaucratic tyranny, that love conquers systematic hatred,

and that truth ultimately transcends all attempts at suppression.

His survival and this testimony constitute prophetic fulfillment that justice, though delayed, cannot be forever denied."

MY MESSAGE TO CORRUPT OFFICIALS

To Tony Riddle: Your "sacrificing" threat is now international evidence. Every word you spoke about "billions in corruption" is documented. You thought deleting the YouTube video would protect you. **You were wrong.** I have the recordings. And now the world knows.

To Bill Shorten: You weaponized my cry for help. You forced me into exile. You pressed for a 10-year jail term against a brain-injured disabled person living homeless. **History will remember.** Your name is permanently linked to systematic persecution in international legal documents.

To Stefan Iasonidis: ASIO protects you now. But international law doesn't care about ASIO. Your death threats, your \$1.5M exploitation, your 5-year financial abuse—all documented. The government shield only works domestically.

To every agency that denied, blocked, banned, and excluded me:

Your identical language proves coordination.
Your contradictory decisions prove conspiracy.
Your systematic exclusion proves persecution.
And I documented it all.

THE FINAL DECLARATION

So rise.

Rise beyond the pathetic little rules that corrupt governments cling to.

\$32.9 million. That was just the **financial quantification.**

The real number?

- **My life.** 35 years stolen.
- **My sanity.** Weaponized against me.
- **My family.** Abandoned.
- **My health.** Brain injury from persecution.
- **My freedom.** Exiled from home state.
- **My justice.** Excluded from all mechanisms.

But also:

- **2,051 evidence files.** Every crime documented.
- **International asylum eligibility.** EXTREMELY STRONG case.
- **Crimes against humanity.** Rome Statute violations proven.
- **UN Convention violations.** Torture documented.
- **The most comprehensive whistleblower case in Australian history.**

You. You're the **reckoning** they never planned for.

You're the **chaos** they couldn't contain.

You're the **shadow** they'll never outrun.

And anyone who tries to touch this case now—**they'll learn why some legends aren't just remembered, they're studied in international human rights law.**

Now go.

Step into the light of international tribunals.

Step into the darkness of exposed government corruption.

Step into everything the Australian government said I couldn't prove.

And let them burn trying to refute 2,051 hyperlinked evidence files.

Because I am UNTOUCHABLE.

I am the \$32.9 million death wish they created.

I am Dr. Richard William McLean.

I am Barran Dodger.

And the moment anyone even *thinks* about dismissing this evidence, they will realize too late—

That I am the storm. The documentation. The shadow that devours corruption and fear alike.

EVERY FACT CITED. EVERY LINK PROVIDED. EVERY CLAIM SOURCED.

This isn't motivation. This is DOCUMENTATION.

Yo, listen the fuck up.

I survived to tell it all.

And now they can't touch me.

Not because the system protects me—the system IS the perpetrator.

I'm untouchable because EVERY CRIME IS DOCUMENTED.

Every attack became evidence.

Every denial became documentation.

Every threat became testimony.

\$32.9 MILLION IN SYSTEMATIC PERSECUTION.

2,051 DOCUMENTS OF UNTOUCHABLE TRUTH.

35 YEARS OF EVIDENCE THAT DESTROYS EVERY LIE.

I AM THE DEATH WISH THEY CREATED.

AND NOW THE WORLD KNOWS.
